JOHN CATLETT VANCE
Grand Master 1956-1957

JOHN CATLETT VANCE

The towering mountain peaks of Western North Carolina are truly the "Hills of Home" to John Catlett Vance, an illustrious son of illustrious ancestry. Born in Buncombe County, North Carolina, on November 8, 1883, the son of David and Alice Catlett Vance, young John grew to manhood, and has lived all his life amid those beautiful surroundings.

His maternal grandfather was John Catlett, of Sevierville, Tennessee, who was initiated in a Masonic Lodge near Moffittsville, South Carolina. His paternal grandfather was General Robert Brank Vance, who served in Congress for twelve years and who was a brother of Zebulon Baird Vance, renowned Civil War Governor of North Carolina. The latter also served his native State as Senator in the Congress of the United States. Both were very active in Masonry.

John C. Vance received his formal education in the public schools of Asheville, North Carolina. As a mere lad he sold newspapers on the streets, worked as office boy, and later became a collector for a local plumber. These early activities determined his career. He entered the plumbing shop, completed his apprenticeship in 1907, and, in 1918, he established his own plumbing contractor's business, which he operated very successfully.

The great popularity of this man, and his devotion to his fellow-man, resulted in his serving on various important business and community committees, and it was only natural that he led the entire ticket in the 1936 elections in being chosen a member of the City Council of Asheville. Some months later he was elected a member of the Board of Commissioners of Buncombe County, and has been re-elected to that office for every consecutive term to date. In this capacity he has also been designated consistently as an officer, delegate or director of very important State and National organizations affiliated with his public service.

John C. Vance resides at No. 147 Haywood Street, Asheville, North Carolina. He is a bachelor. His religious life consists of being an active and loyal member of the First Baptist Church of that city. He is past president of the Citizens' Bible Class. He is a Past Exalted Ruler of Asheville Lodge No. 1401, Benevolent and Protective Order of Elks.

The Masonic career of our distinguished leader of the Craft in this Grand Jurisdiction reads as follows:

Most Worshipful Brother John Catlett Vance was initiated in Mount Herman Lodge No. 118, A. F. & A. M., Asheville, on January 5, 1914; passed on January 19, 1914; and raised on January 26, 1914. He served as Master of that lodge on two occasions, and is an honorary member of eleven lodges in the vicinity of Asheville, one of them being Vance Lodge No. 293, located at Stocksville, Buncombe County, this lodge having been named for his grandfather.

In 1915, our illustrious brother received the degrees of the Ancient and Accepted Scottish Rite of Freemasonry, and was coroneted with the Honorary Thirty-third Degree in 1925. For more than thirty years he has filled two very important stations in conferring the Scottish Rite Degrees in the Valley of Asheville.

It was in the year 1916 that he became a member of Oasis Temple, Ancient Arabic Order, Nobles of the Mystic Shrine. He has been a member of the Asheville Shrine Club for many years, serving as its treasurer for quite some time.

This distinguished Mason later became a member of the three York Rite Bodies of Asheville. He was exalted in Asheville Chapter No. 25, Royal Arch Masons, March 18, 1919, of which he now a life member; he was greeted in Ionic Council No. 9, Royal and Select Masters, September 26, 1921; and was knighted in Cyrene Commandery No. 5, Knights Templar, October 17, 1919, in which he was awarded life membership in 1944.

In Blue Lodge or Symbolic Masonry he is affectionately known locally as "Brother John," and has conferred the Master Mason Degree in probably every lodge in the Thirty-ninth and Fifty-first Masonic Districts. He was appointed District Deputy Grand Master in 1945, and served in that capacity with distinction for the next three years.

In the second section of the Third Degree, this beloved Mason's superior wisdom creates, indeed, a superb model of excellence; being the expert Master Mason, he impresses the candidate as to the proper atmosphere of the occasion.

Since 1922, he has conducted Masonic burial rites for 176 brethren who have departed this life. In this connection, he has been proven a veritable "Rock of Ages" of dependability, despite considerable self-sacrifice and, at times, physical discomfort, in the performance of the duties commensurate with that most brotherly function.

In 1948, the subject of this sketch was appointed Grand Steward in the official line of the Grand Lodge of North Carolina by M. W. Maxwell E. Hoffman, who was then serving as Grand Master of Masons in North Carolina.

On April 18, 1956, at the 169th Annual Communication of the Grand Lodge, held in the City of Raleigh, the brethren of this Grand Jurisdiction bestowed upon our distinguished brother the highest honor Masonry can confer upon one of its members. They elected him leader of our ancient and honorable Craft in this State.

To the Most Worshipful Grand Lodge of North Carolina:

This letter is directed to, and for the benefit and information of, my Masonic Brethren of some fifty, seventy-five, or possibly one hundred, years hence. I hereby certify that all of the items on the attached "LIST OF CONTENTS OF BRONZE BOX" have this day been placed in the said bronze box which will be found in the Cornerstone of the Grand Lodge Executive Office Building located two or three blocks northwest of the present City Limits of the City of Raleigh, approximately one-third mile northwest of Beaver Dam Branch, on the west side of U. S. Highways Nos. 70 and 15-A. The permit issued by the City of Raleigh for the construction of this building located the site at 2921 Glenwood Avenue, Raleigh, North Carolina.

For detailed information concerning the history of the Grand Lodge of North Carolina, your attention is respectfully directed to THE BEGINNINGS OF FREEMASONRY IN NORTH CAROLINA AND TENNESSEE (By Marshall DeLancey Haywood, Grand Historian); to HISTORICAL SYNOPSIS (By Marshall DeLancey Haywood, Grand Historian) on pages iii through xi, inclusive, of THE CODE of 1948; and to the annual PROCEEDINGS of the Grand Lodge of North Carolina.

According to Honorable and M. W. Brother William R. Cox, Past Grand Master of Masons in North Carolina (SEE 1908 Proceedings, pages 145-153, inclusive), the Grand Lodge was ambulatory in its earlier history, and held its sessions from time to time in sundry villages of our State. At a meeting of the Grand Lodge in New Bern in 1792, it was determined to permanently locate the same in Raleigh, the new Capital of the State, and its first meeting at this place was held in December, 1794. In 1799 a charter was granted for

Hiram Lodge No. 40, a Lodge that was destined to play a distinguished part for the good of Masonry in this State, and for a long time it was the only Masonic Lodge in the Capital. The meetings of the Grand Lodge and Hiram Lodge were thereafter held in various rooms or halls of Raleigh. It was not long before the members of the Grand Lodge began to agitate the necessity of the erection of a building adequate for the accommodation of its members. In 1811 the Grand Lodge appointed a committee to confer with a similar committee from Hiram Lodge No. 40 upon the expediency of erecting a suitable hall for the mutual accommodation of its members. Brother Theophilus Hunter, a public-spirited and zealous member of Hiram Lodge No. 40, proposed to this committee that he would donate a plot of ground at the corner of Dawson and Morgan Streets (in Raleigh) and in addition give \$100 for the purposes aforesaid, provided the building was erected on the lot thus designated. Thereupon the Grand Lodge and Hiram Lodge authorized the committee to accept the proposition, and the Grand Lodge authorized its committee to draw upon it for \$500 when it should deem it expedient. The cornerstone of the wooden building was laid on the Feast of St. John the Baptist, June 24, 1813. This hall was completed, and in 1816 Hiram Lodge moved into the same, and the meeting of the Grand Lodge in November of the same year (1816) was held in this building.

After the occupancy of this old building for 58 years, the hall was abandoned, torn down, and the lot reverted to the grantor, and thus again the Grand Lodge and other Masonic bodies were left without a home of their own. For a time they rented and occupied rooms in the Fisher Building on Fayetteville Street, and subsequently rooms in the Holleman Building. Following several unsuccessful efforts to erect a new Masonic hall, a resolution was adopted by the Grand Lodge in 1900 "considering the propriety of erecting a Masonic Temple," and the new Masonic Temple was erected at the corner of Fayetteville and Hargett Streets in the City of Raleigh (133 Fayetteville Street). The cornerstone of this building was laid on October 16, 1907; the first meeting of the Grand Lodge was held therein on January 12, 1908; and the building was dedicated on January 13, 1909. That building was sold by the Grand Lodge on September 11, 1946. (SEE Proceedings for 1946, pages 67-72, inclusive; 97-107, inclusive; and 147-148, inclusive; also, Proceedings for 1947, pages 16-22, inclusive; 46-47, inclusive; 138-139, inclusive; and 167-175 inclusive; also, Proceedings for 1948, pages 79-80, inclusive; and 160-165, inclusive.)

The oration for the occasion was delivered by the Reverend Brother Wilson O. Weldon, D.D., Grand Orator.

In the Preamble to the Constitution of the Grand Lodge of Ancient, Free and Accepted Masons in North Carolina, we are reminded that we as Master Masons are obligated to obey and conform to a threefold DECLARATION [(CONCERNING (1) GOD AND RE-

LIGION; (2) THE CIVIL MAGISTRATE, SUPREME AND SUBORDINATE; and (3) A DECLARATION OF PRINCIPLES)], and that Freemasonry teaches and stands for the worship of God; for truth and justice; for fraternity and philanthropy; and for enlightenment and orderly liberty, civil, religious, and intellectual. It charges each of its members to be true and loyal to the government of the country to which he owes allegiance, and to be obedient to the laws of any state in which he may be.

May the use of this Grand Lodge Executive Office Building, to be erected to God and dedicated to Freemasonry, be a worthy contribution to a Universal Brotherhood!

Dated at Raleigh, North Carolina, this the fifteenth day of December, A.D. 1955; A.L. 5955.

FIRST DAY—Night Session

The Grand Lodge was called from Refreshment to Labor at 7:30 o'clock, this (Tuesday) evening, April 17, 1956, in the Memorial Auditorium, located at Fayetteville and South Streets in the City of Raleigh, by M. W. Brother Charles Harrison Pugh, Grand Master of Masons in North Carolina. Prayer was offered by Reverend and Brother A. DeLeon Gray, Grand Chaplain. The minutes of the previous session were read for information.

THE GRAND MASTER RECOGNIZES ASSOCIATE JUSTICES OF THE SUPREME COURT OF NORTH CAROLINA

The Grand Master recognized M. W. Brother J. Wallace Winborne, Past Grand Master of Masons in North Carolina, Associate Justice of the Supreme Court of North Carolina, who in turn presented W. Brother Emery B. Denny and Brother Carlisle W. Higgins, Associate Justices of the Supreme Court of North Carolina.

REPORT OF THE GRAND MASTER

M. W. Brother Charles H. Pugh, Grand Master of Masons in North Carolina, delivered the following report which was referred to the Board of General Purposes (See pages 109 and 110 of these Proceedings for the distribution of the report):

To The Most Worshipful Grand Lodge of North Carolina:

BRETHREN:

With profound gratitude to the Supreme Master of the Universe for His many blessings and constant care of us since we met one year ago, I am happy to welcome you to the 169th Annual Communication of the Grand Lodge of North Carolina.

Many of you here this evening are among those who have attended these Annual Communications for a long period of years; others are here for the first time. We are happy to have all of you present, and it is our sincere desire and hope that your attendance on this occasion will be most pleasant, helpful, and beneficial.

This is your Grand Lodge, and we invite you to make yourselves at home here. The close of this Grand Communication will mark the completion of the transactions of another year and bring to a close my administration

as your Grand Master. I now stand before you to submit the report of my stewardship for your review and consideration.

During the year our Grand Lodge in North Carolina has steadily advanced in all material well being. Among our lodges there has been greater zeal and activity, and we have made steady progress along all lines pertaining to Symbolic Masonry.

This has been one of the greatest experiences of my life. I want to sincerely thank you for permitting me to occupy the position of Grand Master of Masons in North Carolina—the greatest honor that can come to any person in this Jurisdiction.

GRAND MASTER'S PROGRAM

It has become customary, according to the reports of my predecessors, for a Grand Master at the beginning of his term of office, to outline a program to be known as the "Grand Master's Program." This does not mean that the subjects mentioned will be the only ones that are emphasized during the year, but that these will be especially emphasized at all times.

Last year Past Grand Master Robert L. Pugh had a three point program: (1) Emphasize Church Attendance (especially in groups), (2) Follow Program in Support of the Public Schools, and (3) Every member to make a contribution of at least two dollars to raise one hundred thousand dollars to complete the Recreation Building. His third point reached a happy and successful conclusion in the completion of this much needed building. The first two objectives I have continued in my program for this year. My seven-point program includes the following objectives:

- (1) Continue the program relative to church attendance.
- (2) Continue the program in support of public schools.
- (3) Institute a program in support of the Order of DeMolay and other youth organizations.
- (4) Emphasize a program of Masonic education including the Grand Lodge program of Masonic education, increased support of the program of the Board of Custodians and Schools of Instruction. Investigate all matters regarding a Lodge of Research, Grand Lodge Library, and any objective ordinarily considered as Masonic education.
- (5) Organization and support of new Masonic lodges, where it is deemed advisable.
- (6) Increased support of Oxford Orphanage and Masonic and Eastern Star Home. (Special emphasis on new Administration Building, Teachers' Quarters, and Food Center at Oxford.)

- (7) It is my sincere belief that the greatest need of our country today, of our world, and especially of our own Fraternity, is a rebirth, a return to God and to His Eternal principles. This rebirth must come into the heart of the average citizen and of the average Mason.

1. CHURCHES. It is useless to say that in these times Masonry, churches, and the schools should support each other. The reports coming from the various lodges over the state show that a large majority of the lodges in the state have complied with the request made last year by Past Grand Master Robert L. Pugh to attend church in a group, and they are planning to continue.

2. SCHOOLS. Masonry owes a lot to public schools. America owes much to its system of free public schools. We have the oldest free public school system in the world. An old Massachusetts law established it in 1647. It has no precedent in world history; it has no equal in any nation. In America any normal boy or girl who desires to do so and has a capacity for learning may be graduated from high school and even college. No other people ever demanded so much from education. None other has been served so well by its schools.

Masonry the world over, particularly American Masons, have always deemed it a duty to support and maintain, with all the zeal they had, our system of free public schools, for Masons prize freedom highly. In honoring our schools, we honor liberty, for our schools have kept us free. It is, therefore, necessary in order to maintain our freedom, in order to maintain our Masonic Fraternity, in order to maintain our churches we must support all three. In this way we can preserve our civilization.

3. THE ORDER OF DEMOLAY. We must never forget that the DeMolays of today are citizens of tomorrow; and if we walk with them in their youth, they will walk with us as we go forward to the sunset years of our own lives. No finer training can be given to these young people than the lessons of DeMolay, which teaches respect for parents, courtesy, comradeship, fidelity, cleanness, and patriotism.

That Freemasonry has an obligation to our youth cannot be denied by any clear thinking Mason, for the future of any organization, religious, fraternal, or political, depends upon the training of its youth. If the Masonic institution wishes to continue to retain its position of respect in our communities, it should endeavor to make a real contribution toward instructing young men to live successfully.

Freemasonry has at its disposal an international organization which was founded by an outstanding Mason—the Order of DeMolay—which was set up to serve its youth. Although the Order of DeMolay has never claimed any Masonic affiliations, its purposes parallel those of Masonry.

Do you remember the DeMolay's Code: A DeMolay serves God, honors all womanhood, loves and honors his parents, is honest, practices honest toil, is loyal to ideals and friends, his word is as good as his bond, is courteous, is at all times a gentleman, is a patriot in peace as well as war, is clean in mind and body, stands unswervingly for the public schools, always bears the reputation for good, and is a law abiding citizen, and by precept and example must preserve the high standards to which he has pledged himself. By helping boys abide by such principles, DeMolay is certainly making a valuable contribution to youth.

We should remember that in assisting and training the youth of this generation that we are providing high, active, progressive, competent leadership for the future.

4. MASONIC EDUCATION. Under this subject I would include the present Grand Lodge system of Masonic education, the work being done by the Certified Lecturers and the Schools of Instruction under the Board of Custodians, together with Masonic Research and a Masonic Library.

With the completion of our new executive office building in which a place has been reserved for a Grand Lodge Library, the possibilities for an extensive program of Masonic education are great.

According to the present CODE, the Grand Secretary is the *Grand Librarian*. The Grand Secretary at the present time does not have time sufficient for performing all the duties of his office. To add to this the duties of Grand Librarian would be to create such a position that no one man could fully perform his duties satisfactorily. It is also hoped in the very near future that a Lodge of Masonic Research will be established in this Jurisdiction. Considering all of this, I recommend that the incoming Grand Master be authorized to appoint a committee to study the various angles and possibilities of this part of our Grand Lodge work, and report at the next Annual Communication, some plan whereby the problems of Masonic education, Grand Lodge

Library, Lodge of Research, together with such other duties as would be incorporated under these, may be formulated for the best interests of the Fraternity.

5. **NEW MASONIC LODGES.** This part of the program is being discussed in another part of this report, and I only want to emphasize the benefit that more lodges would be to the Craft in this Jurisdiction.

6. **INCREASED SUPPORT OF THE OXFORD ORPHANAGE AND MASONIC AND EASTERN STAR HOME.** This is also discussed in other sections of this report and is also incorporated in the reports of other committees and boards.

7. **A RETURN TO THE FAITH OF OUR FATHERS.** It is my sincere wish that we may emphasize more emphatically our belief in the existence of a Supreme Being as an essential point of Speculative Masonry, and that we may, along with our material progress, continue to practice the principles of Masonry as they were handed down to us by our founding fathers. These founding fathers believed that God not only led them to these shores but also guided them in the development of the type of society that they formed here. Today we need, above everything else, to get back to fundamental things and renew our faith in God.

Our fathers also believed that God would sustain those who put their trust in him. It was this undergirding faith that led the Pilgrims across the wide Atlantic to make their homes in the wilderness, and it is also this undergirding faith that will lead our gentle Craft of today to heights more noble than any that has yet been experienced.

CONFERENCE OF DISTRICT DEPUTY GRAND MASTERS

On Saturday, May 7, 1955, a conference of the District Deputy Grand Masters of North Carolina was called for the purpose of discussing ways and means of prosecuting the duties of the District Deputy Grand Masters for the coming year. This conference was largely attended; only a few District Deputy Grand Masters were not able to be present. We had a morning session in which we went over in detail the program of the Grand Master, adjourned for lunch, and were in session from about two till four o'clock in the afternoon. Everyone seemed to be deeply interested and enthusiastic, and at that time I predicted that the district Deputies in North Carolina would exert every effort they possibly could for the furtherance of the good work of Masonry in North Carolina during this year. This has been amply proven by the very effective work that they have already done during my administration.

OUR FRATERNAL DEAD

While we rejoice in our prosperity and take courage to press forward in the good work of erecting our moral temple, we are called to lament the departure of 792 brethren who have obeyed the summons of the Supreme Architect.

While no member of our official family has received the final summons, a great number of those fine Masons who have borne the burden and heat of the day have been called from labor to refreshment.

These brethren have gone into the presence of the Supreme Architect of the Universe where, we hope, they behold the designs upon the eternal trestleboard and rejoice with joy unspeakable. Our Committee on Necrology will render suitable memorial for these brethren who have departed this Masonic year.

Let us stand a moment in silence in their memory as a token of our grief.

VISITATIONS (Within the State)

During the year I have visited everyone of the fifty-one Masonic Districts in the State. At each one of these visitations we have had an afternoon session consisting of discussions by the brethren within the District and at the evening session, an address by the Grand Chaplain and the Grand Master. All of these meetings were presided over by the District Deputy Grand Master.

I was everywhere cordially received. The meetings were well attended and the enthusiasm of the Craft seemed to be at a high point. The discussions during the afternoon session, which was directed by the District Deputy Grand Master, have been of the highest caliber and have proved that the Craft in North Carolina are eager and willing to learn more and more about Masonry. Brother A. DeLeon Gray, the Grand Chaplain and Superintendent of the Oxford Orphanage, has been with me at every session of the District Meetings during the entire year. We have not missed any part of either the afternoon or evening sessions.

I have addressed fourteen Ladies' Nights, several anniversaries, various meetings of boards and committees, installations of officers, presentations of 25-year Service Awards and 50-year Veteran's Emblems, and various other Masonic meetings. I have attended a total of 266 meetings and delivered 114 addresses. The total distance traveled

was 25,256 miles. The attendance extended from a low of 24 to a high of 574, exclusive of Grand Lodge Communications.

OUT OF STATE VISITATIONS

On April 27, 1955, the week after I was installed as Grand Master, it was our pleasure and privilege to drive to Myrtle Beach, S. C., to attend the Annual Communication of the Grand Lodge of South Carolina. I was accompanied by Mrs. Pugh, and we were joined by Brother and Mrs. McIver. We were extended every courtesy and consideration that anyone could expect. To visit sister Jurisdictions is one of the most rewarding experiences of a Grand Master.

The warm companionship and hospitality of these wonderful brethren to the south of us is indeed pleasant and will produce happy memories.

On November 14, 1955, we traveled to Baltimore, to attend the Grand Lodge of Maryland. On every occasion we were most cordially welcomed and everything possible was done for our comfort and pleasure. I am positive that these fraternal visitations contribute much to the welfare of each participating Grand Lodge in strengthening the bond of friendship and understanding.

February 14, we were privileged to attend the Grand Lodge of Virginia.

It is useless to say that we were extended all the courtesy and consideration that the "Old Dominion" has the reputation of extending. Courtesy and hospitality are indeed part of their Grand characteristics.

We were privileged to be taken on a conducted tour to Williamsburg, that historic place dear to all Virginians. We spent an entire day on this wonderful tour and were extended all the privileges of selected guests. I will never forget this historic occasion. Our hosts certainly lived up to the reputation of true Virginians.

Their Grand Master, although born in New York City, has all the ear marks and qualifications of a true Virginia gentleman.

I am pleased to inform you that we are expecting representatives of all these Grand Jurisdictions to be with us tonight.

SPECIAL REPRESENTATIVES (Out of State)

Although I was able to visit only three of the Grand Jurisdictions that had extended us invitations, I was very ably represented at the following Grand Communications by distinguished Masons as follows:

Imperial Shrine, Chicago, Illinois, by Past Grand Master Robert L. Pugh. Grand Lodge of Indiana, by Past Grand Master Edwin T. Howard and W. Harvey W. Smith, Junior Grand Deacon. Grand Lodge of Illinois, by R. W. Wilbur L. McIver, Grand Secretary. Grand Lodge of Delaware, by R. W. Charles A. Harris, Senior Grand Warden. Grand Lodge of Kentucky, by W. A. DeLeon Gray, Grand Chaplain. Grand Lodge of Canada (Ontario), by Past Grand Master Herbert M. Foy. Grand Lodge of Georgia, by Past Grand Master Maxwell E. Hoffman. Grand Lodge of Pennsylvania, by Past Grand Master Wallace E. Caldwell. Grand Lodge of Massachusetts, by Past Grand Master Luther T. Hartsell (was not able to attend).

They all report a hearty and cordial reception and courteous hospitality. They will probably make a short report of their visits at this Grand Communication.

GRAND ENCAMPMENT OF KNIGHTS TEMPLAR

We left Gastonia on August 18, 1955, for New York City to attend the Grand Encampment of Knights Templar of the United States of America. This was the fourth Triennial of the Grand Encampment that I have been privileged to attend. The first one was in Houston, Texas, in 1946; San Francisco, California, in 1949; New Orleans in 1952; and New York City in 1955. This is one of the most spectacular assemblies of Masons that can be attended in

this country. A large number of Knights Templar with various Drill Teams, all vying with each other as to who can be the most perfect, is a sight that certainly is inspiring and uplifting to observe. It was my privilege to be on the Committee of Charters and Dispensations.

It is certainly an inspiration to attend one of these large groups of Masons that assemble at different intervals and in different places from time to time.

The parade of the Grand Encampment is one of the most beautiful displays of perfection, together with the symbolism and pageantry of the Knights of old, that exists today. For four hours or more you observe, passing before you, thousands of plumed Knights in their beautiful uniforms, with bands playing, flags flying, and banners to the breeze, division by division, until you begin to wonder when will they present the last contingent.

Anyone who has not been a part of this magnificent spectacle, or at least observed it, has certainly missed one of the most inspiring, spectacular events of a lifetime.

FINANCIAL CONDITION

The strong financial condition of our Grand Lodge is due in great measure to the untiring efforts and the wise counsel and capable direction of our Committee on Finance, of which Past Grand Master Watson N. Sherrod is the Chairman. The Grand Treasurer and the Assistant to the Grand Treasurer have also been greatly instrumental in guarding the funds committed to their care. Too much credit cannot be given these good brethren for the enviable financial position which our Grand Lodge maintains. The Grand Secretary has also contributed very much to the condition of our Grand Lodge, financially. It speaks well for the future, that the subordinate lodges also have consistently met the changing economic conditions and are in excellent financial condition.

SUPREME COUNCIL

It was my privilege also to attend the Biennial of the Supreme Council for the Southern Jurisdiction of the Ancient and Accepted Scottish Rite in Washington on October 19th, 20th, and 21st. Although I was not present the first part of the week, I did have the privilege of witnessing the conferring of the 33rd Degree by the Active Members of the Supreme Council. This was very enjoyable to

me because it had been several years since I had the privilege of attending the Supreme Council. I also had the pleasure the following night to witness the conferring of the Royal Order of Scotland. This is another highlight in the life of any interested Mason.

EMERGENT COMMUNICATIONS

We have had seven Emergent Communications of the Grand Lodge during the year. On May 19, 1955, an Emergent Communication was called for the purpose of dedicating a new Masonic Temple at Statesville; June 24, 1955, at Oxford, for the purpose of laying the Centennial Cornerstone in the walls of the St. John's Building; on October 28, 1955, at Spencer, for the purpose of dedicating the new Masonic Temple in that city; on December 15, 1955, to lay the Cornerstone in the new Executive Office Building and Library of the Grand Lodge of North Carolina; March 8, 1956, for the purpose of laying the Cornerstone of the new Masonic Temple at Laurinburg; on April 3, 1956, for dedicating the new Masonic Temple at Monroe; and on April 4, 1956, for the purpose of dedicating the new Masonic Temple at Siler City.

All of these Emergent Communications were attended by several of the Grand Lodge Officers and by a large group of the brethren. It has indeed been an inspiration to witness the laying of cornerstones of new Temples under construction and the dedication of new Temples that have been completed. This is evidence of an ever progressing Fraternity in this Grand Jurisdiction.

OXFORD ORPHANAGE

Words cannot express my personal thoughts relative to this wonderful institution at Oxford. When you see these children who have been taken from the broken homes of North Carolina and during their stay at Oxford are tenderly cared for, educated, and when they leave that institution, are capable of becoming active, progressive, virile, self-supporting citizens of our commonwealth, it makes you feel glad that you have had a small part in the affairs of this wonderful institution. It has been truly said that the Oxford Orphanage is the "brightest star in the diadem of Masonry in North Carolina." Within the last few years there have been completed three magnificent buildings, everyone of which contributes a definite part to the progress of this institution. First, the York Rite Memorial Chapel; second,

the Master's Cottage; and last, the Recreation Building. One more building is necessary to complete the structures that are necessary for the onward march of the Oxford Orphanage. The present St. John's Building has been declared unsafe, is a fire hazard, and in no way does the dining room meet the qualifications of the State Board of Health. It will be necessary to erect another building on the site of this one in which can be housed the administrative part of the institution, the food center, the dining room, kitchen, freezer lockers, etc., and quarters for the lady members of the faculty and attendants. I have no doubt that in the not too far distant future this building will be completed. I want to urge every Mason in North Carolina to make one visit to this institution. If this can be accomplished, we need not fear any financial difficulty in the future.

THE MASONIC AND EASTERN STAR HOME

This is another institution that is the pride and joy of all the Masons and members of the Eastern Star in our State. It amply, properly, and kindly takes care of those older people, who are walking down the western slope of life and in their last days are being cared for in a manner they deserve. Brother Bennette is doing a magnificent work in that institution. It has been my pleasure and privilege to attend both meetings of the Board of Directors that have been held this year, and I feel confident that it is being capably and efficiently managed.

LODGES CONSTITUTED

It was my great privilege to constitute Friendship Lodge No. 700 in the city of Charlotte on Tuesday, May 17, 1955. On Wednesday, May 18, I constituted St. Andrew Lodge No. 702 in Charlotte. This makes eight lodges in the city of Charlotte; and, as you were informed at the last Communication of the Grand Lodge, the city of Charlotte now forms a District. On Wednesday, May 25, I constituted Garner Lodge No. 701 near Raleigh. This lodge shows evidence of being one of the most active lodges in the State as well as the two that were constituted in Charlotte.

These lodges were instituted by Past Grand Master Robert L. Pugh and had received their charters at the last Communication of the Grand Lodge.

LODGES INSTITUTED

It was my privilege during the year to institute four lodges for which I had granted a Dispensation. They were as follows: Albemarle Lodge U.D. at Albemarle, N. C., on November 29; King Solomon Lodge U.D. at Gastonia, N.C., on December 21; Newport Lodge U.D. at Newport, N. C., on December 28; and Richard Caswell Lodge U.D. at Kinston, N. C., on December 29, 1955.

The institution of all these lodges was attended by a large group of interested brethren, and they all show evidences of having a bright future ahead of them. I sincerely hope that they will be granted charters at this Grand Lodge Communication. Reports concerning their activities are indeed promising.

There were several other places that have discussed the feasibility of establishing new lodges, and still others who will be ready to petition for a Dispensation as early after this Grand Communication as will be convenient.

I am deeply interested in the establishment of more lodges in North Carolina, especially in those communities where no lodge exists and in the towns and cities where there are one or two lodges with a large membership.

The more men that can have a definite duty to perform, the more interest we will have in the state as a whole.

There are now in North Carolina a large group of highly capable, efficient, willing and interested men, both young and old, who are just waiting to have a definite assignment to perform, and a desire to advance in Masonry in its several different spheres of activity. *More Lodges, smaller Lodges, more brethren definitely interested.*

DEDICATION OF TEMPLES

It was my pleasure and privilege during the year to dedicate four Temples which had been completed and are now being used by the Craft in this State. On May 19, 1955 we dedicated the beautiful new Temple in Statesville, North Carolina. This is a very beautiful building and is an evidence of what can be accomplished by co-operation of the various groups of Masonry and its allied organizations. The Blue Lodges, the Shrine, the Eastern Star, and the Shrine Club entered into the building of this Temple, and it is a monument to their co-operation.

On October 28 we dedicated the new Temple at Spencer. Past Grand Master Wallace E. Caldwell laid the cornerstone of this building during the term of office of the late Brother Past Grand Master Horton. A very large crowd was present for this dedication. The history of the lodge was given by Past Grand Master James W. Payne; the oration was delivered by the Grand Orator of North Carolina, Brother Wilson O. Weldon. At the open session the ladies of the Eastern Star and other interested visitors were present.

On April 3 we dedicated the new Temple at Monroe. It was my pleasure on behalf of M. W. Robert L. Pugh, who was then Grand Master, to lay the cornerstone of this building last year; therefore, I was very much pleased to have a part in dedicating this beautiful building.

On April 4 we traveled to Siler City to dedicate the new Temple in that city. This is one of the most beautiful Temples that I have been privileged to see this year. It has sufficient space for any type of meeting, has a dining room capable of seating any group that might gather in that vicinity. It has been a pleasure to dedicate these Temples; and although this does not represent all of the new Temples that have been completed, it is a pleasure to announce that several are still under construction, and some are just in the early stages. This is another evidence of the material progress of Masonry in this Grand Jurisdiction.

CORNERSTONES

It was also my privilege to lay three cornerstones during my term of office. On June 24, 1955, we were privileged to lay the centennial cornerstone in the St. John's Building, Oxford, N. C., on St. John's Day. A very large group of interested friends were present, and the exercises were participated in by representatives of different groups of Masonry and allied organizations. Representatives of the Grand Commandery of North Carolina, Knights Templar, the M. I. Grand Council of Royal and Select Masters, the Grand Chapter of Royal Arch Masons, the Ancient and Accepted Scottish Rite, the Eastern Star, and both Temples of the Shrine in North Carolina were all present and participated in the exercises of the day. This was indeed a highlight in the public ceremonies in which we were pleased to participate.

On December 15, 1955, on a very cold day, the Grand Lodge had the pleasure of laying the cornerstone of its own

new Executive Building near the city limits of the city of Raleigh. This building, when completed, will be used for the offices and library of the Grand Lodge of North Carolina. I sincerely hope that everyone present will visit this building, which is now under construction.

On March 8, 1956, we were pleased to be present at the laying of the cornerstone of the new Masonic Temple in Laurinburg, N. C. This was a very inclement day; and although the group was not very large, it was very enthusiastic, and coming just a few days after Laurinburg had been awarded the site of the new Presbyterian College in eastern Carolina, the people were in very high spirits regarding the future of their city.

THE SHRINE

Brethren, I want to take this opportunity to inform the Craft in North Carolina that I have been pleased with the hearty co-operation that I have received during the past year from the Illustrious Potentates of the two Temples of the Mystic Shrine in North Carolina. I do not know of any person who has given me more co-operation, more support, and has at all times expressed a willingness to co-operate with the officers of the Grand Lodge of North Carolina in all of their enterprises, as well as have Brother Paul A. Jones of Oasis Temple and Brother J. LeRoy Allen of Sudan Temple, A.A.O.N.M.S. I am persuaded to believe also that their successors in office will continue this high standard of co-operation and mutual support. No incident has occurred during my term of office to mar the good feeling or the spirit of co-operation between these two Temples and the Grand Lodge of North Carolina, and I sincerely trust that it may ever continue thus.

WAIVER OF PHYSICAL DISABILITIES

During the year there have been submitted to your Grand Master 150 requests for permission to ballot upon the petitions of applicants having some physical maim or defect. In other words, he has been requested to grant a dispensation to ballot upon those who have had certain physical defects. Each request has been given careful and full consideration in the light of the facts laid down in THE CODE, and your Grand Master endeavored to be governed by the spirit, purpose, and intent of the expression of the law as laid down in THE CODE of 1948. Further, in each case your Grand Master has required that the Committee of In-

vestigation, together with the Master, make *special* investigation in those cases in which it was more than a mere technical minor defect. In some instances I have required personal interviews, and in other instances I have requested certain physicians, who were special friends of mine, residing in the community in which the petitioner lived, and who were Masons, to examine the petitioner and give me his personal impression as to the ability of this petitioner to conform to all the requirements of Masonry.

During the year I granted permission to ballot on 130 petitioners, and denied, by the same standard, 8 petitioners. Your Grand Master is sure that many were discouraged from presenting their petition because it was obvious that they could not be accepted, and probably this accounts for the fact that more requests were granted than were denied. It would be impractical to list the physical defects or maims involved in each of these cases presented. A full and complete file covering all of them is open and available to each and every member of the Grand Lodge of North Carolina who may care to inspect one or more. Although the consideration in passing upon such a large number of requests and such a variety of physical defects and maims is an arduous and burdensome task, it is felt that there is no other practical way to handle the matter, and no change should be made, in either the practice or in the principle of the law being followed. It is felt that one individual should pass upon all these requests in order to be familiar with all of them so that there may be some degree of general uniformity. In this connection I might say that the Deputy Grand Master has been furnished copies of the action taken, showing the physical defect or maim involved in each and every case passed upon by your Grand Master, in order that he may have the information, but without any thought whatever of establishing any fixed rule. The nature and extent of physical defects and maims are so varied that each Grand Master must determine each case in his own sound judgment and discretion.

DISTRICT DEPUTY GRAND MASTERS

It is my pleasant privilege to take advantage of this opportunity to say just a few words to you brethren about my District Deputy Grand Masters.

Each of you in your own District know your District Deputy better than I do perhaps, but all of you know that

indeed the District Deputy Grand Masters this year have served with fidelity and with earnestness, and have rendered a real service to Masonry in the State of North Carolina. Let me tell you that no one can appreciate, or realize, more than I, that no one person centrally located, or at long distance can be of much benefit or service in the local community, and that it is only through the work and cooperation of these District Deputies that we have been able to carry on with a reasonable degree of success the work of the Grand Lodge of North Carolina throughout the vast length and breadth of this State. These men have served Masonry and the Grand Lodge well. I want to here and now express my grateful appreciation to them for the services they have rendered to you and to Masonry, and to tell them that they can rest assured that their labor in behalf of Masonry in North Carolina is appreciated, and we sincerely hope that your labor shall not go unrewarded.

I have never had the pleasure heretofore to have the loyal and sincere support of as fine a group of men and Masons as these have been.

I honestly and sincerely feel that they are in deed and in truth "Brother Masons."

DISPENSATIONS GRANTED

I have granted the following dispensations during the year:

1. Five (5) dispensations were granted to elect officers because the lodges failed to elect at the required time, and also to fill vacancies caused by death.
2. On August 4, 1955, a dispensation was granted under REGS. 43-03 and 46-09 to Mingo Lodge No. 206 for it to continue its labor until its duplicate charter had been returned by the Grand Secretary but not later than the next Annual Communication of the Grand Lodge. This duplicate charter had been sent to the Grand Secretary to have a properly certified copy made under Regulation 46-12.
3. Seven (7) dispensations were granted to lodges to hold communications for special events in buildings other than their regular lodge halls, with the provision in each case that the building to be used should be properly tyled and safe from cowans and eavesdroppers.
4. Dunn's Rock Lodge No. 267 had balloted on the application for restoration of Brother Lee Louis Hilelson before the Committee of Investigation had reported. [REG. 86-02 (2-A)]. I declared the ballot illegal and void and granted a dispensation for this lodge to ballot again on the application; the lodge to comply fully with THE CODE in doing so.

DISPENSATIONS REFUSED

I refused requests for dispensations as follows:

1. For a lodge to confer a degree upon more than five candidates at the same communication. (REGS. 51-11; 79-28; 79-29).

PROCEEDINGS OF THE

2. For a North Carolina lodge to be opened, and to exemplify the degree of Master Mason in Alexandria, Virginia. (REGS. 51-06; 79-18; 16-04 (8-G)).

ONE-STORY LODGE BUILDINGS

I approved the requests of the following lodges to erect one-story buildings to contain their lodge rooms, with the clear provision that it is the responsibility of each lodge to see to it that its lodge room shall in all respects be safe from cowans and eavesdroppers, which requirement, I am not authorized to waive in any manner: (REG. 49-04)

Oxford Lodge No. 122, on September 12, 1955.

Mt. Pleasant Lodge No. 569, on September 16, 1955.

OFFICIAL OPINIONS

I gave the following Official Opinions:

1. Brother C. B. Hosaflook advised that it was contemplated having a "Degree Team From Woodlawn Council (Royal and Select Masters) No. 71, of Birmingham, Alabama, to confer the Degree of Master Mason at the Summer Assembly of the Grand Council of Royal and Select Masters of North Carolina during its Summer Assembly at Waynesville, North Carolina, July 11, 1955." I made the following reply as an Official Opinion on the subject:

Before you go any further with your arrangements, permit me to inform you as to the process by which such a program must be conferred within the body of a Master Mason's Lodge (presumably, Waynesville Lodge No. 259 in this instance). Secondly, you would probably find it necessary to confer the Degree in the Armory at Waynesville; therefore, it would be necessary for Waynesville Lodge No. 259 to request me to grant them a dispensation to hold such communication "on the first floor or ground level" in accordance with the provisions of Regulation 49-04 of THE CODE of 1948.

In the next place, if there is to be an actual candidate and that candidate is the property of an Alabama Lodge, it would be necessary for an official request for the conferring of the Master Mason's Degree on this candidate to be cleared through the offices of the Grand Secretaries of Alabama and North Carolina. Of course, the Alabama ritual cannot be conferred in this instance on a candidate of a North Carolina lodge.

2. Reference is made to your letter of May 3, 1955, relative to the advancement of Fellow Craft C. A. R. of your lodge, in which you request an OFFICIAL OPINION on the procedure. Since this Fellow Craft has been tried under Docket No. 23 for un-Masonic conduct and has been found NOT GUILTY under the law, he may be Raised, if, as and when he presents himself properly prepared in the work of the Second Degree, unless another complaint charging un-Masonic conduct is made against him under REG. 81-04.

If there had been any good reason to do so, your lodge, or any Master Mason declaring himself aggrieved by the decision of not guilty, could have taken an appeal to the Grand Lodge within 45 days under REGS. 106-05, 106-09 and 106-11, but no appeal

was taken and it is now too late to do so. The Candidate has moved from Coinjock.

There is no law making it mandatory for a Master or a lodge to request another lodge to do degree work as a courtesy; therefore, you or your lodge may refuse to ask another lodge to instruct and Raise this Fellow Craft; then he would have to go to Coinjock for both his instruction and the degree. On the other hand, the request may be made under REG. 79-10.

3. **FACTS:** It appears from the copy of a letter enclosed with yours and dated September 12, 1955, from Brother B. C. Stafford, Secretary of Barstow Lodge No. 682, Barstow, California, that it has come to the attention of that lodge that the conduct of the elected petitioner, Mr. "T", is unbecoming a Mason or an officer; therefore, they decline to do the courtesy work requested by your lodge which was to confer all of the three degrees. Therefore, no degree had been conferred.

OPINION: We recognize the absolute right of any lodge to decline to do courtesy work, for reasons satisfactory to itself. (REGS. 79-12 and 81-16). The nature of the misconduct of Mr. "T" is not given; therefore, we cannot judge fairly that most important feature of the case. I suggest that you write Barstow Lodge No. 682 thanking them for their report and asking them, if consistent with their rules, to give you something more definite as to the *nature* of the mis-conduct they have discovered which would enable your lodge to determine its future action, inasmuch as the character of the candidate is put in question by the report. Your further procedure may depend upon the reply you receive from Barstow Lodge No. 682; therefore, when you have its reply; and, if you have not cleared this case under THE CODE, then take the matter up with me. In the meantime, read carefully REGULATIONS 77-02 (Note line 17 "in time of war"); 81-02; and 78-03.

4. **FACTS:** On January 2, 1948, Manteo Lodge No. 682 (then Croatan Lodge U.D.) adopted a resolution attempting to establish concurrent jurisdiction between itself and Wanchese Lodge No. 521; and, at a subsequent stated communication, the resolution was repealed.

QUESTION: What is the procedure now for establishing concurrent jurisdiction between those two lodges?

ANSWER: The resolution, although repealed, was void and of no value when adopted, because THE CODE of 1924 and not THE CODE of 1948 applies. Section 62 of the 1924 CODE states:

"A lodge working under dispensation has . . . not territorial or penal jurisdiction It has no powers except those specifically delegated by the Grand Master's dispensation under which it is established."

At the time the resolution was adopted, it was solely within the power of the Grand Master to grant or deny concurrent jurisdiction; and, apparently no request was made upon him for concurrency. Now the Grand Lodge and not the Grand Master decides the question (REG. 48-09). The proper procedure is in the 1948 CODE at REG. 48-13, which requires a petition as described therein; and you may find a suggestion as to the form of petition on page 188 of the Grand Lodge Proceedings of 1954.

5. **FACTS:** At its stated communication June 9, 1955, Temple Lodge No. 676 balloted on two petitioners for degrees, Mr. "G" and Mr. "B".

- A. The ballot on Mr. "G" passed twice under REG. 76-04 (6), and he was declared rejected.
- B. The ballot on Mr. "B" passed once; and, as the re-ballot was about to be taken under REG. 76-04 (6), a member of the lodge approached the Master and stated that he had cast the wrong ballot on both Mr. "G" and Mr. "B", that he was sorry and hoped something could be done to rectify this grievous mistake; whereupon the re-ballot on Mr. "B" was properly continued, and he was declared duly elected.

There are three points to consider in this instance:

- A. The confession or admission of error in casting the ballot was made while the balloting was still in progress, and before the lodge closed; therefore,
- B. It is a manifest fact that the ballot on Mr. "G" was not a true expression of opinion of the members present, and for that reason should be void.
- C. The notice of re-ballot under REG. 78-01 to all members present June 9, will protect the rights of all concerned.

The question to be decided is this:

QUESTION: Can another ballot be taken on the petition of Mr. "G" because of the statement of the member to the Master that he had by mistake cast the wrong ballot on that petitioner?

5. **ANSWER:** Yes, under REG. 76-16 and 78-01. The prompt disclosure at the time of the balloting by the member that he had by mistake cast the wrong ballot on Mr. "G" puts in question the integrity, justice, and validity of the first ballot on June 9, 1955; therefore, I am of the opinion that the ballot is not valid but is void and that another ballot should be taken on the petition of Mr. "G", strictly complying with REG. 78-01, which amply protects the rights of all concerned; and, for that purpose, a dispensation is hereby granted under REG. 78-01 to Temple Lodge No. 676 to ballot again on the petition of Mr. G. for the degrees in Masonry under REGS. 78-01 and 76-04, each of which shall be strictly complied with; the ballot to be taken at the stated communication to be held July 14, 1955; and all members present at the time the petitioner was rejected, June 9, 1955, shall be given not less than ten days' notice by first-class mail under sealed cover of the re-ballot and the time and place therefor; but no such reballot shall be had after two months from the date of rejection.
6. I received a request on August 17, 1955, from our Lodge No. 118 advising that a group of members of that lodge and others expected to make a pilgrimage to Alexandria, Virginia, for the purpose of visiting Alexandria-Washington Lodge No. 22 to see the Master Mason Degree conferred by a degree team from Capital City Lodge No. 312 of Indianapolis, Indiana, and asking for a ruling on this question:

QUESTION: If our group should be asked to exemplify the Master Mason's Degree, may we have your permission to do so?

ANSWER: The Grand Master of North Carolina has no jurisdiction.

tion or authority over the Grand Jurisdiction of any other state; therefore, I cannot authorize you to act either one way or the other in this case. (Sec. 2-03)

There is no objection on our part to the exemplification of our ritual in another regular Grand Jurisdiction; however, the Grand Lodge or the Grand Master of that Grand Jurisdiction may forbid or permit such action.

In the event your group, strictly as individuals and in no sense as a lodge, should be requested by the proper authority to exemplify our ritual in any regular lodge, you do not need my permission; but you do need the permission of the proper authority of the state in which you do the work. It must be clearly understood that no North Carolina Lodge shall be convened or opened and that you and your associates would act solely as individuals and not as a lodge and that you would be responsible for such, and further, you may act only in the event that you are permitted by the proper authority under the law of the Grand Jurisdiction in which you act. This last paragraph is by way of explanation and is not to be construed as authorization for your proposed objective. [16-04 (8G); 51-06; 79-18]

7. On December 6, I was requested by the Grand Secretary to give an official Opinion on the following facts:

FACTS:

- A. Brother J. O. L., Jr., was Raised on November 29, 1954, by our Corinthian Lodge No. 542.
- B. On September 9, 1955, the said brother had failed to pay the dues owing by him from November 29, 1954, through December 31, 1955; therefore, the Secretary of Lodge No. 542 mailed N. C. Official Form 23 (Official Notice of Delinquency) to the said brother on September 9, 1955, in compliance with what he thought to be the requirement under Regulation 85-33 of THE CODE of 1948.
- C. At the stated communication held on November 14, 1955, the said lodge voted to exclude Brother J. O. L., Jr., for the non-payment of dues for the period from November 29, 1954, through December 31, 1955, or thirteen months.

QUESTION: A. Having been raised on November 29, 1954, did Brother J. O. L., Jr., as of September 9, 1955, actually owe Lodge No. 542 "two years' dues" as required under Regulation 85-33?

ANSWER: A. No. The brother did not owe the full amount of dues for 1954. He owed only 66 2-3 cents or 1-12 of the full amount of the annual dues prescribed in the by-laws of Lodge No. 542, which I understand is \$8.00. See REG. 85-03. The phrases "then owes the full amount of dues for any preceding year" and "(that is, those who then owe as much as two years' dues)" where used in REGS. 85-33 and 85-34 mean the full amount of annual dues prescribed in the by-laws and not a pro rata part thereof.

QUESTION: B. Was Brother J. O. L., Jr., actually (legally) excluded for non-payment of dues by our Corinthian Lodge No. 542 on November 14, 1955?

ANSWER: B. No.

QUESTION: C. If the answer to Question 2 is "No", what action should now be taken by our Corinthian Lodge No. 542 to rectify their action?

ANSWER: C. The alleged exclusion of Brother L. for non-payment of dues is void under Regulation 85-30; therefore, the lodge is required to restore him to membership on its records; making a proper notation on the minutes of the first stated communication after the receipt of this order, also making a marginal notation on the minutes of the communication of November 14, 1955, at which the lodge voted the alleged exclusion. See REG. 70-01 (1A). Also, the lodge shall make such reports to your office as you may require to correct and complete your records, and it shall pay the required per capita tax.

I should say, also, that this identical law has been in the CODES since 1940, or fifteen years; and it has been thus understood and applied by the Craft without the necessity for the official opinion of the Grand Master until this case.

8. FACTS: Garner Lodge No. 701, A.F. & A.M., held an election for its officers at its proper stated communication on December 12, 1955; but it was determined after the lodge had been closed that Brother Albert Joseph Dickson, the Master-elect, had not "previously been elected and installed as Master or Warden of a regularly constituted chartered lodge" as required by Regulation 61-02 (2) of THE CODE, and therefore was not qualified to be elected Master of a lodge.

QUESTION: What is the status of the officers-elect of this Lodge?

ANSWER: There has not been a proper legal election of any of the officers under the provision of Regulations 61-02 (2); 62-05; and 62-07. Regulation 62-07 specifically requires that the office of Master shall be filled *first*; and, when or *after* that office is filled, the remaining offices shall be filled. The Master was not elected, because the brother "elected" to that office was not qualified to be elected to that office under the provisions of Regulation 61-02 (2); therefore, the office of Master was not legally filled *before* the remaining officers were elected. Regulation 62-05 says in part: "An election of lodge officers held . . . in any other manner than that authorized by law shall be of no effect." Therefore, another election for *all* elective officers must be held.

9. FACTS: At its stated communication March 26, 1956, Lillington Lodge No. 302 balloted on two petitioners for degrees, Mr. "X" and Mr. "Y". When the Master was instructing the Lodge prior to the balloting on Mr. "X", he inadvertently called the name of the wrong candidate. He attempted to explain this to the Lodge; but since this was his first time to preside over a business meeting of a Lodge, he states, under his own signature with the seal of the lodge attached, and also to me personally in the presence of the Grand Secretary, that he was so mixed up that he does not feel like he made it clear to everyone present. This was also stated by a Past Master and a Certified Lecturer of this lodge. The candidate failed to pass. The ballot on Mr. "Y", which was taken under Regulation 76-04 (6), was favorable. A dispensation is requested to ballot on Mr. "X".

There are three points to consider in this instance.

- A. The confession or admission of error by the Master, in which he stated that he called the wrong name, and in his opinion did not make it clear to the brethren present upon whom they were balloting, and, furthermore, this was done before the lodge closed; therefore,
- B. It is a manifest fact that the ballot on Mr. "X" was not a true expression of the opinion of the members present. The Master, under the seal of the lodge, states that he does not feel that he made the identification of the petitioner clear; it, therefore, was an improper announcement by the Master. For these reasons the ballot is void.
- C. The notice of re-ballot, under Regulation 78-01, to all members present March 26, 1956, protects the rights of all concerned.

The question to be decided is this:

QUESTION: Can another ballot be taken on the petition of Mr. "X" because of the statement of the Master that he had called the petitioner by the wrong name, and that he did not make it absolutely clear that this error was rectified.

ANSWER: Yes, under Regulations 76-16 and 78-01. The prompt acknowledgement of this error at the time of the balloting that the petitioner had not been properly identified, puts in question the integrity, justice, and validity of the first ballot on March 26, 1956. Therefore, I am of the opinion that the ballot is not valid but is void and that another ballot should be taken on the petition of Mr. "X", strictly complying with Regulation 78-01, which amply protects the rights of all concerned. For that purpose, a dispensation is hereby granted under Regulation 78-01 to Lillington Lodge No. 302 to ballot again on the petition of Mr. B. L. for the degrees in Masonry, under Regulations 78-01 and 76-04, each of which shall be strictly complied with. The ballot shall be taken at the stated communication to be held April 23, 1956; and all members present at the time the petitioner was rejected, March 26, 1956, shall be given not less than ten days' notice. This shall be by first-class mail under sealed cover, stating the time and place of the re-balloting. No such re-ballot shall be had after two months from the date of rejection.

ORDER

I issued an order in the following case:

FACTS:

1. The application of Brother John Lester Gillikin for membership in Aurora Lodge No. 300, with receipt attached showing dues paid in Semper Paratus Lodge No. 49, D. C., to September 20, 1955, was not complete as required by REG. 83-20, line 9, because the request for a demit from Semper Paratus Lodge was not attached; therefore, the lodge should not have received the application at the stated communication March 28, 1955.
See REG. 3-05. This was the *first* error.
2. The application was not sent to the Grand Secretary until April 27, 1955, when it should have been sent not later than April 2, 1955; 25 days delay here. (REG. 83-14) This was the *second* error.
3. The ballot was taken on the application at the stated communication April 25, 1955, and it was clear; this was before the applica-

tion had been sent to the Grand Secretary and was in direct violation of REG. 83-15, because the certificate of the Grand Secretary had not been received by the lodge before the ballot; therefore, the ballot was illegal. (76-01; 83-15) This was the *third* and *most serious* error.

4. I am advised that the stated communications of Aurora Lodge No. 300 are held on the second and fourth Mondays of each month.

On the foregoing facts it is ORDERED:

1. That the application for affiliation of Brother John Lester Gillikin be completed immediately as required by THE CODE and as directed by the Grand Secretary in the fourth paragraph of his letter of May 3, 1955, addressed to the Secretary of Aurora Lodge No. 300. (REG. 83-20).
2. Upon receipt by Aurora Lodge No. 300 of the completed and certified application, it shall be read to the lodge at the first stated communication after its receipt from the Grand Secretary; and, if received by the lodge, be referred to a Committee of Investigation; lie over not less than 27 days; and thereafter, if the Committee has reported, be balloted upon, and in all respects conforming to the procedure set out in THE CODE in the same manner as if this application had never been received by this lodge before, PROVIDED, however, that such ballot shall be taken only at a stated communication and before August 10, 1955. This should give ample time to obtain the demit before September 30, 1955, the date to which dues have been paid.
3. After the ballot, if the applicant is elected, the required reports shall be made to the Grand Secretary within 5 days.
4. For the inexcusable errors in handling this application, I hereby reprimand the Master and Secretary of Aurora Lodge No. 300, and caution each of them to carefully comply with the law of the Grand Lodge in handling such matters in the future.
5. I direct that this Order be read in full at the first stated communication after its receipt, be entered in those minutes, and a marginal note be made on the minutes of the stated communication of April 25, 1955, to refer to this ORDER. (REG. 70-01 (1A)).

INVASION OF JURISDICTION

Upon a complaint by Zion Lodge No. 81 that LaFayette Lodge No. 83 had invaded its territorial jurisdiction by electing and initiating Mr. Nolon Bell Jones who resided at Maysville, N. C., I referred the matter to the District Deputy Grand Master of the Eighth District to investigate; and, if he found a violation of REG. 48-16, he was authorized to require the lodge at fault to comply with that Regulation and to report to me his final action. I have been advised that the case has been closed by Lodge No. 83 paying the proper fee to Lodge No. 81 under that Regulation. Under the circumstances as reported to me, no further action is indicated or necessary.

DISTRICT MEETINGS

The only way a Grand Master can contact a good part of the brethren throughout this Jurisdiction is through the medium of *District Meetings*. It was my privilege and pleasure to attend fifty-one such meetings, one in every District in the State.

For a long number of years I have been attending and observing District Meetings and have known the reaction of the brethren to various types of meetings. It was my considered opinion that we should try a different system this year in trying to hold the interest of the brethren in these District Meetings. Therefore, we arranged a program through the co-operation of the District Deputy Grand Masters in which the brethren within each individual District would furnish the program of the afternoon. Several of the brethren would be assigned certain subjects which were important to the Craft in general. They would briefly present their opinion of the subject assigned. Then would follow a round-table discussion or a question and answer period.

This proved to be very popular. A large number of the brethren throughout the whole state have expressed themselves as being in favor of this type of a District Meeting for a few years at least. In this way every brother enters into the discussion; he feels free to express his opinion, and he feels like he is a part of the meeting. Many times instead of them slipping out and returning only in time for the dinner meal, they have stayed until six o'clock in the afternoon discussing questions vital to their interests. After the dinner meal the District Deputy or the Master of the host lodge would open the lodge and receive such brethren present who were entitled to be received; the Grand Chaplain would present the cause of the Oxford Orphanage; the Grand Master would then deliver his address; and we would usually close by 9:30 p.m. In this way the brethren were able to adjourn the meeting early enough to feel like they had not been kept too late.

I want to express here and now my sincere thanks to Brother A. DeLeon Gray, Grand Chaplain and Superintendent of the Oxford Orphanage, for his loyalty and his faithfulness in attending every District Meeting. He was present at all times, and delivered his message to the Craft in every District in the State. I cannot thank him enough for the wonderful way and manner in which he supported me, especially in the District Meetings.

I also want to express my sincere thanks to the Grand Secretary, Brother McIver, and also to the Judge Advocate, Brother Humphrey, for their aid and assistance in the District Meetings which they were privileged to attend. We regret very much that it was not possible for them to be present at a larger number of these meetings, but it was necessary that they remain in their respective offices in order to fulfill their duties as Officers of the Grand Lodge. We deeply appreciate their advice, their assistance, and their good wishes in all of our meetings throughout the state.

PAST DISTRICT DEPUTY GRAND MASTERS

The Grand Lodge of North Carolina in REG. 12-05, says that the honorary title of Past District Deputy Grand Master may be granted by the Grand Lodge by a majority affirmative vote upon a proposal by the Grand Master to those District Deputy Grand Masters who have completed three appointments. Brethren, in my opinion any man who has served the Craft in North Carolina for three years as District Deputy Grand Master is entitled to whatever honor the Grand Lodge can possibly give him. At my request, the Grand Secretary has prepared a list of those brethren, now living, who are entitled to this distinctive honor, having served the required number of years. I recommend the following to this Grand Lodge for this action, each of whom is qualified in accordance with the provisions of Regulation 12-05 of THE CODE:

NAME	Lodge	District	YEARS SERVED
Abernathy, Vardy M.....	381	44	1952-1954, inclusive (3)

PROPOSED REVISION OF THE CODE OF 1948

In his report to the Annual Communication of 1954, Grand Master Howard recommended that the Code Commission be authorized and instructed under the provisions of Section 11-02 and Regulation 111-01 to revise and amend THE CODE of 1948.

The Code Commission has sent out three bulletins to the Craft requesting cooperation from Lodge Officers, District Deputy Grand Masters, and Grand Lodge Officers who,

from their experience with THE CODE since its adoption in 1948, could offer suggestions for such amendments as would be appropriate. The Code Commission has received about thirty suggestions to date; and, due to causes beyond their control, the Commission has not been able to complete the job assigned to it. I feel certain that this work can be completed in time to have the proposed revisions and amendments circulated to the lodges and others interested in the subject in ample time for study before being presented for action by the Grand Lodge at its Annual Communication in 1957; therefore, I recommend the adoption of the following resolution:

"BE IT RESOLVED, That the Code Commission be and it is hereby instructed and authorized, under the provisions of Section 11-02 and Regulation 111-01 of THE CODE, as follows:

1. To examine THE CODE of 1948, both the Constitution and Regulations, and to prepare such amendments and general revisions as the Commission deems necessary or proper to bring the Constitution and Regulations up to date with any amendments thereto, or decisions or enactments thereunder made since THE CODE was adopted on April 22, 1948;

2. To revise, clarify and reconcile any part thereof that may be necessary; and

3. To present its recommendations under this order, for action by the Grand Lodge as provided in Section 11-02 and Regulation 111-01, at its Annual Communication in 1957."

THE WASHINGTON CONFERENCE

ONE of the highlights in the career of a Grand Master is his attendance at the Annual Conference of Grand Masters of Masons in North America and other Masonic meetings held in the city of Washington in and around February 22, in our nation's capital.

This conference meets in conjunction with the George Washington Masonic National Memorial Association, Conference of Grand Secretaries, Masonic Service Association of the United States, and other smaller groups of Masons who meet usually on the Saturday before.

It was my privilege to attend several of these meetings Saturday preceding the Grand Masters' Conference, and it

was my high honor to preside at the meeting of the Grand College of America, Holy Royal Arch Knight Templar Priests.

The Grand Masters' Conference assembled on Monday morning and the program that was rendered was very enlightening and instructive. The Grand Secretaries assembled on Tuesday and the George Washington Masonic National Memorial Association, on Wednesday. Brother Robert L. Pugh, Past Grand Master, is the official representative from the Grand Lodge of North Carolina and will make a full and detailed report of these various meetings and conferences.

You will be interested to know that your Grand Master was appointed on the General Program Committee of the Grand Masters' Conference and also on the Committee on Masonic Education of the Masonic Service Association.

During the meeting of the George Washington Masonic National Memorial Association the progress being made upon the national memorial to George Washington, the Mason, was discussed. Ways and means of completing the unfinished Temple were brought before the entire group. From time to time various organizations are undertaking to furnish certain rooms and divisions in this memorial. This memorial symbolizes all that we stand for as Masons, and we stand for all that it symbolizes in Masonry. It is an heroic edifice erected to perpetuate not only the memory of a true Masonic personality but also to perpetuate the principles for which he so valiantly stood.

The report of the Masonic Service Association was presented by our own Past Grand Master Hubert McNeil Poteat. That is sufficient to inform you that it was presented in a very forceful and enthusiastic manner. Anyone from North Carolina could feel justly proud that they were from the Old North State.

I consider an attendance at one of these "Masonic Weeks" in Washington one of the most pleasant and profitable expenditures of time and money that can be imagined. I sincerely hope a large group of Masons from North Carolina will avail themselves of this opportunity as soon and as often as possible.

PAST GRAND MASTERS

It has always been a pleasure and a source of inspiration to me each year when we pay proper tribute to our beloved Past Grand Masters. First, I want to welcome each

and everyone of you and to assure you, on behalf of myself and the brethren here assembled, that we appreciate each of you, your service to mankind, and your sincere devotion to Masonry. During my years as a Grand Lodge Officer I have had the pleasure of working with most of you, and you have always been ready and willing to help when called upon to do so. It will be an honor and a privilege to join your ranks, and I pray that I may continue to love and serve the Grand Lodge as each of you has done.

SPECIAL COMMITTEE ON BUILDINGS AND QUARTERS

I want to take this opportunity to inform the Craft about the activities and also personally thank this committee for the way and manner in which they have performed the difficult task assigned them. They are Past Grand Master Watson N. Sherrod, Chairman; Past Grand Master Charles B. Newcomb, Secretary; Past Grand Master Maxwell E. Hoffman; Past Master Hugh W. Prince; and Past Grand Master H. C. Alexander.

The many difficult and almost insurmountable obstacles they have encountered would have hindered men of less determination. They have performed the many minute and tedious details of this undertaking, as well as the more extensive and precedent making demands which they have encountered, with the same unswerving determination which they possess.

It is fortunate that the Fraternity in this Jurisdiction has within its membership many men who possess these qualifications. On behalf of the entire Craft in North Carolina, I want to express sincere thanks.

GRAND LODGE COMMITTEE MEMBERS

To the loyal brethren who, because of their devotion to our beloved Order, serve so willingly on the various committees of Grand Lodge should go the thanks of the entire Craft. As the several committees make their reports to this Grand Lodge, let us keep in mind that we are deeply indebted to them for their efforts to promote the general good of the Order by performing their duty promptly and efficiently. The best interest of your Grand Lodge cannot be maintained without their service. They have done their work well, and I thank each of them sincerely.

GRAND LODGE CEREMONIES (PROPER WORKING TOOLS)

In attending and conducting Grand Lodge ceremonies for the laying of cornerstones and the dedication of lodge

halls, Masonic Temples, and other buildings during the past several years, it has been brought to my attention in a very forcible manner that this Grand Lodge should have the necessary equipment for use in such ceremonies; namely, a "Symbolic Lodge" and or carpet, a cloth cover for the same, the Golden and Silver Vessels, the elements for use in the ceremony, a copy of the Holy Bible, the Working Tools, and such other items as may be needed. The Grand Secretary should be the custodian of this equipment, and make it available for use at all Grand Lodge ceremonies where it is needed. I, therefore, recommend that this Grand Lodge authorize and instruct the Grand Secretary to purchase the necessary equipment for this use, and that the necessary funds be provided for the purchase of the same.

NEWLY MADE MASONS

It has been a great pleasure for your Grand Master to write a personal letter to each newly made Mason during the year. Each Secretary was requested to send us a list of each candidate who had been raised to the Sublime Degree of Master Mason at the close of each month. Of course, we probably have not received the names of every one who is on the roll of the Lodge, but it has been almost 100 per cent. This has been quite an undertaking, but the response has been excellent. The wonderful letters we have received from some of these new Masons have amply repaid us for the efforts made. I can imagine the thrill I would have experienced if I could have received a letter from the Grand Master when I was raised.

GRAND LODGE EXECUTIVE OFFICE BUILDING

On June 16, 1955, I had the privilege of signing a contract for the erection of a building to be constructed on the property of the Grand Lodge of North Carolina. This is located on the Durham Road just outside the city limits of Raleigh, N. C. The building is now under construction and is expected to be completed in the early fall. Due to unavoidable circumstances and inclement weather, the construction has been delayed, but is now progressing and is open to inspection by any of the brethren who want to observe the type of building we will have.

On December 15, 1955, at an Emergent Communication of the Grand Lodge, the cornerstone was laid according to the ancient usages of Freemasonry.

It will contain offices and quarters for the Grand Secretary and Grand Master, with rooms for Board Meetings

and conferences. There will be ample space for fireproof storage of important papers, records, and documents, together with a place for the Grand Lodge Library, completely fireproof.

APPRECIATION

I would be derelict in duty if out of my heart did not come a deep expression of gratitude to the brethren of my home lodge, my home city, home county, and home district for the very fine way and manner in which they have supported me during the entire year. Their evidences of support and continual interest in my efforts to adequately represent them and the Craft has been deeply appreciated. On June 4, a dinner was held in my honor in my home city, which was attended by approximately 350 brethren and their wives. Practically every member of the Official Line and their wives were present, together with a large majority of the Past Grand Masters and other interested friends over the State. They were invited to Gastonia by all the lodges in my District, to accord honors to the high office which I was privileged to hold at that time. It was one of the finest meetings that I ever had the privilege of attending. Brother Past Grand Master Luther T. Hartsell, Jr., who appointed me in the Grand Line, was the speaker for the occasion; and he certainly lived up to his reputation as one of North Carolina's greatest orators. Brother Andrew S. Melvin was toastmaster, and showed his ability to remember names and faces, by presenting every single brother present, together with his wife, by name, without looking at a single note. I deeply appreciate this token of remembrance and the many expressions of brotherly love and friendship which I received at that time.

Again on September 15, when the District Meeting was held in my home city, at the conclusion of the exercises of the evening a representative of the House Committee of the Gastonia Masonic Temple Association, of which I am President, asked to have a few words to say relative to a matter, which I thought, was in connection with the Masonic Temple. You may imagine my surprise when they unveiled a life size portrait of your Grand Master in the presence of this large assemblage of brethren from over my District, and from my home town. This was one of the few times in my life that I was absolutely speechless and for a few moments I could not express any of the thoughts that I was having in my mind and heart. I can only thank them kindly, sincerely, and fully for this expression of

their kindness to me, and their loyalty to the office of Grand Master of Masons in North Carolina. My heartfelt gratitude is hereby expressed for their many acts of kindness, for their loyal support, and their good counsel during my term of office as Grand Master.

They have aided very materially in making my year a most enjoyable one, and, I sincerely hope, a very profitable one for the Craft in this Grand Jurisdiction.

MASONIC CEREMONIES

Every member of the Craft who has found it necessary to use the present booklet entitled "Masonic Ceremonies" has observed the large number of errors contained in this edition. A large number of these errors are typographical; however, there are a number of definite irregularities and contradictions.

There should be some additions to make this a complete and correct edition of Forms and Ceremonies.

In another section of this report I am recommending a ceremony for the presentation of a 50-year Veteran's Emblem. I am of the opinion that this important event in the lives of those brethren who have borne the burden and heat of the day, should be attended by a more dignified and impressive presentation than is customarily used in this important recognition of our honored brethren.

I recommend that the Committee on Ceremonies be instructed to prepare an official ceremony for the presentation of the 50-year Veteran's Emblem. This should be short and should be presented with dignity and solemnity.

I further recommend that this ceremony be incorporated in the official "Masonic Ceremonies" and that all of the ceremonies be re-edited, removing the errors and inconsistencies in the present edition, make such changes as they may consider proper, and that they report to the next Annual Communication, or proceed to have this new corrected edition printed and distributed as the Grand Lodge may direct.

HANDBOOKS

Two years ago the Grand Lodge adopted the recommendation of Past Grand Master Howard that suitable Handbooks be made available for procedure and instruction for the Masters and Secretaries of our lodges and also for the District Deputy Grand Masters. It also adopted one recommendation of the Judge Advocate that a Trial Manual be prepared also. Since that time it has been suggested that a

Handbook for the District Deputy Grand Lecturers be prepared also.

Last year Grand Master Robert L. Pugh appointed these several committees. This year I appointed the Committee for the District Deputy Grand Lecturers' Handbook.

These committees have prepared these reports, but they have not been printed, due to circumstances which could not be prevented.

It is my opinion that these Handbooks, together with the Book on Masonic Ceremonies, should probably be under one direction. Last month I called a meeting of the Chairmen of these several committees to meet with the Chairman of the Special Committee on "Ceremonies." After a thorough discussion it was decided to delay the printing of these Handbooks until after this Communication of the Grand Lodge. A report of this meeting will be presented at this Grand Communication. In another part of this report I have made some suggestions in regard to the pamphlet on "Masonic Ceremonies."

NEW MASONIC DISTRICTS

Last year Past Grand Master Robert L. Pugh began a program of creating new Masonic Districts in North Carolina. This was according to an understanding between the Elective Grand Lodge Officers. It has been believed for some time that several of our Districts were too large for one District Deputy to render ample service in connection with his many duties.

He created eight new Districts and I am sure that every one will agree that this action has already proved its value as a help to the subordinate lodges. Some of these newly created Districts, composed of lodges in which there had never been a District Deputy, have developed leadership far beyond the most optimistic dreams.

Complying with that agreement, I have created five new Districts. I feel confident that these new Districts also will prove very beneficial.

In making these new Districts, it has necessarily changed the number of lodges in the old Districts that still retain their original number.

1. District Number 52, with Brother D. J. Luther, Bolton, N. C., District Deputy Grand Master. This District is composed of the following numbered Lodges: 190, 207, 563, 596, 607. These Lodges are all in Columbus County and were formerly a part of the Tenth District. This is a new District.

2. District Number 53, with Brother Robert O. Ballance, Manteo, District Deputy Grand Master. This District is composed of the following numbered Lodges: 294, 328, 520, 521, 678, 682, 698. The Lodges were formerly in the First and Third Districts, and are composed of Lodges in Hyde, Dare, and Tyrrell Counties. Although this is a new District, the District Deputy Grand Master was District Deputy of the First District last year.
3. District Number 54, with Brother Layton H. Gunter, Graham, N. C., District Deputy Grand Master. The District is composed of the following numbered Lodges: 19, 271, 272, 409, 492. These Lodges were formerly in the Twenty-first and Twenty-third Districts. These Lodges are in Alamance, Orange, and Guilford counties. This is a new District and a new District Deputy.
4. District No. 55, with Brother Oscar Busick, Reidsville, N. C., District Deputy Grand Master. This District is composed of the following numbered Lodges: 11, 129, 136, 384, 428. These Lodges were formerly in the Twenty-first, Twenty-second, and Twenty-third Districts. It is composed of Lodges in Caswell, Guilford, and Rockingham Counties. This is a new District and a new District Deputy Grand Master.
5. District No. 56, with Brother Eugene W. Smith, Mocksville, District Deputy Grand Master. This District is composed of the following numbered Lodges: 134, 162, 265, 420. These Lodges were formerly in the Thirtieth District. It is composed of Lodges in Davie and Yadkin Counties. This is a new District and a new District Deputy Grand Master.

The following Districts have been affected by these changes:

6. District No. 10, Brother Cecil W. Henderson, Wilmington, N. C., is the District Deputy Grand Master. The following numbered Lodges compose this District: 1, 138, 249, 319, 395, 612. These Lodges are all in Pender, Brunswick, and New Hanover Counties. This is not a new District, but an old one reduced in size.
7. District No. 3, Brother H. B. Carawan, Washington, N. C., is the District Deputy Grand Master. The following numbered Lodges are in this District: 59, 104, 300, 509, 675. The Lodges are in Beaufort and Washington Counties. This is not a new District, but an old one reduced in size.
8. District No. 1, Brother ----- is the District Deputy Grand Master. The following numbered Lodges compose this District: 7, 53, 75, 106, 126, 314, 317, 463. These Lodges are in Currituck, Camden, Perquimans, Gates, Pasquotank, and Chowan Counties. This is an old District reduced in size.
9. District No. 21, Brother Cabell B. Jones, Durham, is the District Deputy Grand Master. The Lodges in this District are numbered as follows: 158, 210, 352, 408, 687. This is not a new District but an old one reduced in size. These Lodges are in Durham and Orange Counties.
10. District No. 23, Brother Robert G. Paschal, Greensboro, is the District Deputy Grand Master. The Lodges in this District are all in the city of Greensboro, Guilford County, and are numbered as follows: 76, 542, 552, 656, 694. This is not a new District, but

an old one reduced in size. Greensboro is the second city in the State for a District to be wholly inside its city limits. The other one is Charlotte.

11. District No. 30, Brother James G. Neal, Jr., Belews Creek, is the District Deputy Grand Master. This District is composed of the following numbered Lodges: 167, 289, 434, 629, 669, 685, and are located in Stokes and Forsyth Counties. This is an old District reduced in size.

The following changes, which affect the 31st, 33rd, 34th, and 40th Districts, have also been made. Elkin Lodge No. 454 at Elkin, formerly in the 31st District, has been transferred to the 33rd District. Ashler Lodge No. 373 at Deep Gap, formerly of the 33rd District, has been transferred to the 34th District. Snow Lodge No. 363 at Boone, formerly of the 40th District, is transferred to the 34th District.

The following Lodges will, therefore, constitute the 34th District: Snow Lodge No. 363 at Boone, Ashler Lodge No. 373 at Deep Gap, Sparta Lodge No. 423 at Sparta, Piney Creek Lodge No. 432 at Piney Creek, and Ashe Lodge No. 594 at West Jefferson.

These Lodges are all in Alleghany, Ashe, and Watauga Counties. These counties form a senatorial district; they form a health district and a judicial district. Therefore, it is my considered opinion that they likewise should be in the same Masonic district.

The incoming Grand Master will, in all probability, create about four more Districts, making a total of 60. When a sufficient number has been created to adequately furnish the proper assistance to each District on an equitable basis, it is planned to renumber the Districts so that the number will have a significant geographical meaning.

I am firmly convinced that this arrangement will prove to be helpful to the various Lodges involved. With the constantly increasing membership in this Grand Jurisdiction, and with the ever increasing duties of the Grand Master facing us, it is evident that we will be compelled to depend more and more on the District Deputy Grand Master.

The Grand Master is at present compelled to depend on his District Deputies for help and advice on all the Districts. It is not proper to expect a District Deputy to supervise the work and activities of so many lodges.

The most effective work is done in those areas that are compact and in which he can easily contact each lodge at his will and pleasure.

CHARLES BAILEY NEWCOMB

Mere words could not satisfactorily or sufficiently express my appreciation and gratitude for the fine service that this distinguished Master Mason and Past Grand Master has rendered to me personally during this whole year. I am sure that without his help my achievements during the

past year could not have been as successful or far reaching as they have been.

Although he was not physically able a good part of the time to do full service, yet at no time that I have called on him has he failed to heed my call for advice or assistance; and at all times it has been rendered in the atmosphere of cheerfulness and kindness. Through his many years of constant study of Masonry, especially in regard to its laws and regulations, he has compiled in his mind and in his library, information that many other men would take a long time to get together. His work on the Board of Custodians, on the Lodge Service Commission, on the Code Commission, and especially on the Committee on Masonic Jurisprudence, makes him an invaluable member of the Fraternity in this Commonwealth. May he live many more years to be a benefit to Grand Masters yet to follow. Out of a sincere heart and in a spirit of appreciation, I can only say, Thank you, Brother Newcomb.

A. DeLEON GRAY

To say that it has been a great pleasure to travel with Brother Gray to the fifty-one District Meetings and other important meetings during the year would be to make a mild statement. The associations with this fine Christian gentleman will be some of the highlights of my life. He is honest, sincere, attentive to every detail, an interesting conversationalist, and a wonderful companion. I will miss his association, his advice, his brotherly understanding and his help when the going seems hard. He should be praised for his loyalty and devotion to those committed to his care, and admired for his service to our children at Oxford. When his activity here comes to a close, it is not difficult to believe that he will hear that great acclaim, "In as much as ye have done it unto one of the least of these, my brethren, ye have done it unto Me." Brother Gray, for your many acts of courtesy and kindness, I can only say, Thank you and God bless you.

GRAND SECRETARY

At this time I want to publicly thank our Grand Secretary R. W. W. L. McIver for his every kindness and assistance in advising me on many matters which have arisen this year. By his cooperation at all times, he certainly lightened the load of the Grand Master through his helpful advice. Without his experience which has always been at

my disposal, his sound advice, and his devotion to duty, my task would have been a heavy one indeed. Brethren, no one knows the amount of work that is done in the office of the Grand Secretary. There are times when it seems that every member of the Craft in North Carolina is wanting some specific information at once. Lodges are wanting this done, that done, foreign jurisdictions are requesting immediate reports, and various matters are coming up from day to day. This is enough to tax the patience of Job. The long number of hours that he devotes to his many responsibilities indicates that he is in deed and in truth willing to go the extra mile.

Although I am not claiming that he always uses his efforts to the best advantage or that he does not make mistakes, yet I have no hesitancy in saying that I believe he is sincere, honest, reliable and has the best interest of the Fraternity at all times in mind. Let us occasionally put ourselves in other peoples' places and see what the perspective presents.

Without his willing assistance and capable advice, my year would have been much more difficult.

LUTHER T. HARTSELL, JR.

Friendship and brotherly love are two great terms to use when referring to your closest friend. Any man who can claim the friendship of Past Grand Master Luther T. Hartsell, Jr., is indeed fortunate; but you can feel more fortunate when you can say that he is your intimate friend.

My personal admiration and friendship for this great statesman, scholar, Mason, and citizen has existed for many years. He appointed me in the Grand Lodge Line in 1947; and whatever value I have been to Masonry, whatever success I may have achieved may in a large measure be attributed to my admiration for him and a desire to measure up to all he expected of me.

In expressing again my sincere thanks for this opportunity, I can only say, Luther, I thank you and may you live many more years to be an inspiration to others to go forward.

JUDGE ADVOCATE

Although it was not possible for Brother G. Dudley Humphrey, Judge Advocate, to attend many of our District Meetings, his presence and advice was a great help on several occasions. I only wish it had been possible for him to

have attended more of these District Meetings, than we were permitted to enjoy this year.

However, it was in another field that he has been most valuable. Although prevented from giving the office much time during the latter part of 1955, due to the illness and death of an immediate member of his family, he has processed an unusually large number of cases on the Docket in the last two or three months. I had hoped to have some statistics available at the time of preparing this report, but I am expecting a report from him at the Annual Communication of Grand Lodge.

I desire to express many thanks for the many courtesies and expressions of confidence he has extended to me and for his loyalty to the Grand Master and the Grand Lodge.

ANDREW S. MELVIN, GRAND STEWARD

A very great help to me during the year has been rendered by Brother A. S. Melvin, Grand Steward. On practically all visits when it was possible to return the same night, he has accompanied me and done most of the driving.

On all Ladies' Nights that were near enough to return after the meeting, Mrs. Melvin and Mrs. Pugh have gone with us. This was a great benefit, not only because of the assistance in driving, but also the fine association that was enjoyed. He is an excellent driver, perfectly safe, and at all times in control of the automobile. I am referring to this because of this, and the many other courtesies that he has extended to me this year. They are deeply appreciated.

THE ORPHANS' FRIEND AND MASONIC JOURNAL

I want to take this opportunity to express to Brother Leon Godown, and the others connected with the Orphans' Friend, my sincere appreciation for the many courtesies and considerations they have given me this year.

I want to express special thanks for the wonderful way in which they have published the "Activities of the Grand Master." If those who have spoken to me about these articles, and their appreciation for them, is any evidence of their interest, they have certainly been followed by a large group of Masons and their families. These evidences of friendship, as well as attention to duty, are deeply appreciated; and I sincerely hope the opportunity may present itself in the near future for me to be able, in a small way, to repay them for their kind consideration.

HONORARY LEGION OF HONOR

On January 7, 1956, in my home city of Gastonia and in our own Masonic Temple, I received one of the greatest honors of my life—the Honorary Legion of Honor—by the Supreme Council of the Order of DeMolay. I have been told that this is the highest honor that can be conferred upon any Mason who is not an active participating officer of the organization.

There were assembled for this purpose approximately five hundred Masons, DeMolays and candidates. There were DeMolays present from New Jersey, Virginia, Tennessee, South Carolina, and Georgia, a large Greyhound Bus load from Rocky Mount and a similar one from Fayetteville. There were also Masons and DeMolays from practically every city in North Carolina where a Chapter of DeMolay exists. It was reported that a total of 375 DeMolays and candidates were registered. The class of candidates numbering approximately 140 were styled “The Grand Master’s Class.”

It was an added pleasure to have my grandson, Jimmy Atkins, a member of the Senior Class of the Duke University Law School, present this honor to me. He was a former Deputy Master Councillor of North Carolina. He was assisted by Brother O. Hal Hamby, Active Member of the Supreme Council of North Carolina.

This was one of the most enthusiastic groups we have seen this year. I am deeply appreciative of this high honor, and am thankful that it was possible for me to have a small part in assisting the Order of DeMolay to go forward.

It was an inspiration to see this fine, clean, reliable group who will be our leaders of tomorrow. I stand ready at all times, to be of any service of which I am capable to this very important part of our civilization of tomorrow.

HONORARY MEMBERSHIPS

One of the most appreciated honors that can be conferred on any Mason is to be made an Honorary Member of a Symbolic Lodge. It has been my privilege in the past to be presented Honorary Memberships in various lodges, chapters, councils, and commanderies.

It gives me much pleasure to realize that this year has exceeded anyone’s fondest dreams. Honorary Membership has been conferred on me by a large number of lodges in this Jurisdiction. I have enjoyed the added pleasure of re-

ceiving Honorary Membership in the Grand Royal Arch Chapter of South Carolina, the Grand Council of Royal and Select Masters of South Carolina and the Grand Commandery of Knights Templar of South Carolina. I was overwhelmed, however, when Honorary Membership in every lodge in the Thirty-third Masonic District was conferred on me at the District Meeting, February 8, 1956. This was the District in which I began my Masonic activities forty-five years ago. I have also been made an Honorary Member of a majority of the lodges in my own district, at the present time—the Twenty-eighth District. These evidences of friendship and brotherly love are deeply appreciated and are received in a spirit of humility and gratefulness.

25-YEAR SERVICE AWARDS AND 50-YEAR VETERAN'S EMBLEMS

There have been awarded during the year 607 25-year Service Awards and 69 50-year Veteran's Emblems.

To grow old is a privilege accorded comparatively few. We are grateful for these faithful servants of Masonry who are spared to remain among us and to lead and inspire us by their examples for two score years and ten, a half century of service in Masonry. Would that it were possible to find words suitable to express our appreciation and deep debt of gratitude to those faithful ones who have earned the right to receive the 50-year Veteran's Emblem of the Grand Lodge of North Carolina. Compared to the services rendered by them anything we could say would be inadequate. In modesty, we can only say, with simplicity and sincerity, thank you for the heritage you have passed on to us. May we be worthy of it.

It is my considered opinion, however, that we are doing an injustice to quite a few of our old Masons who are not able to prove that they have had a continuous membership.

We have had presented to us this year several cases in which a break had occurred in the continuous membership of certain brethren when that break was no fault of theirs. Some fine Masons have had a lapse of one or two years in their total membership in the lodge, but have been a member for over fifty years and have paid fifty years' dues, or more. Some of these lapses have been due to incorrect records, to carelessness in Secretaries' offices and sometimes in the transfer from one jurisdiction to another. Fifty years ago the minutes of subordinate lodges were not kept

as carefully as they are today, and there were too many opportunities for these brethren to have a lapse of one or two years when it was no fault of theirs at all. Sometimes it was due to a lack of finances for a certain period. However, they have paid over fifty years' dues and have been a Mason over fifty years.

I, therefore, recommend that THE CODE be changed to provide that any brother who has an accumulated membership of fifty years and has paid fifty years' dues, be eligible for this Veteran's Emblem.

I am firmly convinced that any good brother who has paid his dues and been a member in good standing for a total of fifty years should be entitled to a fifty year service award. I would rather make a mistake on the side of leniency than to have a number of our brethren in the last days of their life feel that they had been mistreated by a Fraternity that they had served for half a century.

RECAPITULATION OF RECOMMENDATIONS

1. I recommend that we continue our usual appropriations to the Oxford Orphanage, Masonic and Eastern Star Home, Charity, Masonic Service Association, Grand Masters' Conference, Grand Secretaries' Conference, Masonic Relief Association, George Washington Masonic National Memorial Association, and Masonic Service Association for Hospital Visitations.

2. As you observed, we opened the Grand Lodge at 3:30 this afternoon. This was done in order to relieve the crowded program at this evening's Communication. Since THE CODE prescribes that the Annual Communication shall convene at 7:30 p.m. on the third Tuesday in April, I recommend that THE CODE be changed to permit the Grand Lodge to open at 3:30 p.m. on the third Tuesday in April.

3. I recommend that THE CODE be changed to permit a brother who has been a member for fifty years, and that these years may be accumulative instead of continuous, and provided he has paid fifty year's dues, to be eligible to receive the Veteran's Emblem.

4. I recommend that the Committee on Masonic Ceremonies be instructed to prepare a ceremonial for the presentation of these Fifty-year Veteran's Emblems and that they be printed in the book of *Masonic Ceremonies*.

5. I recommend that the Committee on Masonic Ceremonies be authorized and empowered to rewrite the book on *Masonic Ceremonies*, correcting the errors and irregularities and that the Grand Secretary be authorized to have them printed for distribution.

6. I recommend that the brethren listed under the paragraph "Past District Deputy Grand Masters," which was furnished me by the Grand Secretary, be granted the honorary title of "Past District Deputy Grand Master."

7. I recommend the adoption of resolution providing for the Code Commission to examine THE CODE of 1948, to revise, clarify, and reconcile any part thereof and present its recommendations for action by the Grand Lodge as provided in Section 11-02 and Regulation 111-01 at its Annual Communication in 1957.

8. I recommend that the incoming Grand Master appoint a committee to study the various angles and possibilities of a program of Masonic Education, which would include Grand Lodge Library, Lodge of Research and such other activities as would be under this caption, and report the result of their findings to the next Annual Communication of this Grand Lodge.

STATE OF THE CRAFT

The state of the Craft in North Carolina from a financial and material standpoint is good. The program of the Grand Master this year has been supported wholeheartedly and almost unanimously.

They have cheerfully engaged in attendance at church services in groups to the extent that you would almost consider unbelievable. They are certainly supporting our public schools not only from a civic standpoint, but a moral and spiritual attitude as well. The ever increasing sentiment behind the Order of DeMolay is making it possible for younger men when they become Masons to take an interest in the Ritual and work of the lodge, and thereby make it possible for a greater spirit of harmony to exist. Petitions, although they may be slightly reduced in number in some jurisdictions, are being received in healthy numbers and from the proper type of persons. Faith is becoming more and more associated with our ever increasing loyalty to the Craft. The relationship between the Grand Lodge and other Masonic organizations, together

with those whose membership is predicated on Masonry, has been unusually cordial. No misunderstanding of any kind *has* appeared. Peace and harmony in reality and truth does exist.

If we will only return to the faith of our founding fathers, our future is secure. We must have faith in God, faith in ourselves, faith in our fellow man and faith in freedom. The faith of our founding fathers was a living, vital force. It was what sustained and guided them as they toiled and fought to lay the foundation and carve the uprights of our great nation today. This is the kind of faith we need today to fortify our material, social, and spiritual advancement. This is the kind of faith we must have if we are to achieve ultimately, "on earth, peace to all men of good will."

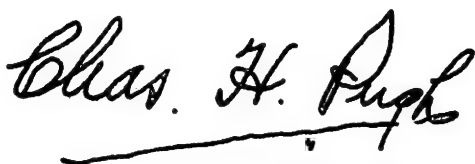

Without a doubt, we live in one of those critical, decisive periods in history. Therefore, the vital question is "which way should we take?" It should not be difficult to decide, but we should be firm and outspoken about it. In one direction lies freedom, progress and happiness; in the other lies enslavement and incredible misery. There are no alternatives.

The Craft in North Carolina, well prepared in the material field of usefulness, will declare a sincere, courageous reaffirmation of the traditional firm, constructive faith in God and in His laws which has made this the best and greatest country of all time. Who knows but that Masonry has been preserved for such a time as this? I am firmly convinced that the Craft in North Carolina will realize the value of the spiritual aspect of Masonry and return to the faith of our fathers.

CONCLUSION

Words cannot express my appreciation for the honor of serving you as Grand Master. For your forbearance, your assistance, and for the great honor you conferred on me, I say, humbly and sincerely, thank you. My record is before you. For its mistakes and shortcomings, I beg your charitable consideration. When I was installed one year ago I promised you that I would do the very best I could. This I have tried to do. And if my efforts in behalf of Mason-

ry in North Carolina can make us a little more appreciative of our responsibility—not only to preserve the material assets that we have accumulated, but that we may return to the faith of our fathers, I will not have labored in vain. I sincerely hope that we may try to meet the challenge of the days ahead of us and be worthy of the title of Master Mason. As I lay aside the duties and responsibilities of Grand Master to be taken up by another, I pledge to you and to him my whole-hearted support and cooperation.

GRAND MASTER CHARLES HARRISON PUGH

In these troublesome times when we are confronted with many problems of local, state and national import which require the cool, sober thinking of men of faith and calm judgment, the Grand Lodge of North Carolina has been indeed fortunate to have as its Grand Master a man so well equipped to administer its affairs.

From his wide association as a physician, his experience as the head of many and varied organizations and his faith in the basic and fundamental principles of the Fraternity, he was especially qualified to administer the affairs of the Grand Lodge in a manner most acceptable to all.

He has devoted his time, his services and his ability to the advancement of our cause, and the results speak for themselves.

Masonry has been elevated, relationship with all bodies improved and harmony prevails throughout this Grand Jurisdiction because of his efforts.

We commend him for his zeal, his loyalty and for the able and capable manner in which he has performed the duties of his high and important office.

We extend to him herewith our gratitude and appreciation.

We also commend the Line Officers, the District Deputy Grand Masters, the District Deputy Grand Lecturers, as well as the Boards and Committees for the assistance and cooperation they have given to the Grand Master in the furtherance of his Program for the year.

Respectfully submitted,

ADDRESS OF THE GRAND ORATOR

(Docket No. 3)

To The Most Worshipful Grand Lodge of North Carolina:

BRETHREN:

There is a paradox in life which enables one to have a feeling of humility and of pride. I find myself in the midst of that paradox as I come to deliver this Masonic Oration. First, I am humbled by the responsibility in following so many able and illustrious Masonic speakers. Too, I find it a source of pride to have this opportunity of speaking a good word in behalf of Masonry and especially as it

relates to the Grand Lodge of North Carolina. When my dear friend, the Most Worshipful Grand Master, Dr. Charles H. Pugh, notified me that he was giving me this appointment, I thanked him most sincerely and at the same time thanked Almighty God for the opportunities which the appointment would bring.

"The Continuing Appeal of Freemasonry" is the theme to which we direct our thinking. It is not essential that we spend much time in tracing the early beginnings of our beloved Fraternity. It is important, however, that we note it was nurtured in the basic concept of righteousness, of justice, and of disciplined living, resulting from an attitude towards Man and a concept of God. Today there are many evidences that the world needs Freemasonry and we who are privileged to carry it from generation to generation should seek to know why Masonry appeals to the minds and hearts of men in every generation.

COMMITMENT

First, I list the high importance of *Commitment*. The better term is *Obligation*. Masonry instills into each one who is initiated the ideals of high and upright living. This means that no one can be a good Mason who does not dream of the kind of life that he should live and the kind of contribution that he should make to the Masonic Fraternity and to the world.

Masonic obligations are the binding, constraining power of our several committed promises. Coming from the Latin "obligare," meaning to bind, we are constantly reminded of the several solemn agreements and covenants in the ranks of Entered Apprentices, Fellowcrafts and Master Masons. Once a Mason has entered into these commitments he is bound for life, he is related in a promise to which there is no end.

The recognition of the durability, of the lasting nature of these obligations is important in each succeeding generation of our Fraternity. And in it there is power. In it is one explanation for the ongoing, ever-renewing appeal which has resulted in placing such a potent and noble stamp upon Freemasonry.

This commitment is not centered in the thinkings of a group of philosophers who meet to ponder the problem of existence. It is not explained in terms of scholars who gather to discuss the mysteries of life. Instead, the commitment or the assumption of obligations means a measure of discipleship. It is an act of costly commitment in which the whole personality is involved. Somehow it reminds us of Martin Luther's great phrase, "Here stand I and I can do no other."

COMMUNION

In the next place, Freemasonry continues to appeal to men the world over because it answers the need of *Communion*. We should try to be brothers one to another. To deal honorably with our brother Masons, and to be charitable in our thoughts and actions towards them is our privileged duty. To render little, nameless acts of kindness which will help him over hard places is our business. But our concept of brotherhood does not stop at this point. We are to be brothers one with another because we are Masons.

"On the level" is similar to 'on the square' and 'to level with him' means to deal honestly and truthfully. In Masonry, 'we meet

upon the level and part upon the square' is an expression with the same connotations; derived from the level and square as working tools, first of a stone mason, then of a Speculative Mason. As a symbol of equality few symbols are less understood. 'Equality' does not mean that of wealth or poverty, social distinction, civic responsibility or service to mankind. It refers to manhood, and to the 'internal, not the external qualifications' of a human being. The equality of brethren in a lodge is that of the dignity and worth of the human soul, without regard to any man-made distinctions. Masonic equality recognizes that no man has greater potentialities of service, of life, or reward than another, but denies that any man may not aspire to any height, no matter how great. In the middle ages, ladies and gentlemen, priests and kings, a ruling and aristocratic class, refused to work. Labor was degrading. Soft hands were noble. Horny hands were the mark of the slave, fief, villein, menial. It was the will of God that popes, cardinals, bishops, priests, kings, nobles, ladies, etc. were entitled to live off the rest of mankind. It was the discovery of Freemasons that this was a fraudulent scheme of life; that a man who labored not was not a whole man and that it was *not* the 'will of God' that he should support his laborless neighbor. Hence, the idea of the equality of manhood, of labor and of opportunity, which in modern Freemasonry is symbolized by the level."

By far the most vexing question of our time is that of brotherhood, of communion. It confronts us in an era of social revolution through which we are passing. How are men to rise above class and party prejudice and work together for unity? Many panaceas have failed. Communism, despite its glowing promises, has proved conclusively that it has no answer. Any system which resorts to blooded purges and large scale liquidations in order to silence criticism has not very much to offer us in the way of brotherhood.

The answer is to be found in our sense of the Fatherhood of God and in our understanding of the Brotherhood of Man. Communion as it expresses itself in Freemasonry scorns vague idealism and utopianism. It brings us back to the solid earth with an uncomfortable jolt, reminding us with the aid of visible symbols that human brotherhood is impossible and inconceivable once you divorce it from a belief in the Divine Fatherhood.

"Important among our neighbors is the youth of the land, on the proper training of whom will depend the destiny of our civilization, the kind of government we will have and the character of our citizenship. They are at an age when they are just emerging from their chrysalis, so to speak, leaving behind them the careless, happy-go-lucky days of childhood and entering upon the great adventure of youth. New vistas are opening before them, bringing a realization that life is a serious problem and a knowledge that soon they will be called upon to contribute their share toward the progress of the human race. Lacking a background of experience, they are struggling to gain a true perspective that they may find their proper place in the scheme of things and naturally they look to their elders for guidance."

CONSECRATION

Freemasonry continues to elicit a wonderful response because it requires *Consecration*. That is another way of saying it demands faithful support. One of the most lasting benefits which has come

to me through my Masonic fellowship has been the reminder of my duty to live a consecrated life to God and to the principles of Masonry. That is the only way for any person to live. I cannot conceive of a Mason living on any other basis and still attending the regular meetings of his lodge. I cannot comprehend that any person would participate in the affairs of the Grand Lodge of North Carolina who did not see the high importance of this thought.

We should become fools in God's world because we live for ideals and are willing to sacrifice for them. The world said that men were fools when a company of them sat down to write a Constitution for thirteen states, jealous of each other, suspicious, and determined to preserve their rights. They began by saying "We the people of these United States" when the people were not united at all. But there were those who believed that what ought to be could be. When it looked as if the weakness of compromise would destroy all chance of unity, Washington stood up to say, "Let us raise a standard to which the wise and the just can repair. The event is in the hands of providence." We are here as pioneers and explorers, to push out the horizons of the possible, to use our gifts in the high service of what ought to be.

There is a symbol in the repeated efforts to scale Mount Everest, a feat which was finally accomplished. But why have men sought for a hundred years to conquer Everest? As one explorer noted, "I suppose we want to climb Mount Everest just because it is there." And that is as good an answer as any. It is the annoying challenge of an impossible that ought to be possible that lures us on. Life is like that and the Great Architect calls us upward to the glorious heights of what ought to be. His name is above every name on earth and He calls us to be pioneers. Sometimes we die still climbing and have our crosses etched against the sky. But it is better by far to go on climbing and to end on a cross than to give up and quit. This should be uppermost in the thinking of modern Masons.

We see the importance illustrated in that novel, *The Cruel Sea*, in which a corvette is torpedoed. "The vessel is sinking fast, but Wainwright, an ordinary sailor, works quietly, removing fuses from depth-charges to prevent them going off at the point of submerging. He feels the stern steadily lifting as the corvette poises for the last fatal dive, but methodically he works on—'unscrew, pull, throw away, unscrew, pull, throw away'—till the job is finished and he dies a hero's death as if it was all in the day's work."

If the Royal British Navy's training can do that for a man, how much more the discipline of faith? We are engaged in a war of savage ferocity where we fight not against flesh and blood but against principalities and powers, spiritual wickedness in high places. If we are to come within seeing distance of victory we must produce men and women with the discipline of religious Consecration ingrained in the inner fibre of their being.

And all that I say comes to a tremendous climax in what we call LOVE. Not weak sentiment; no, not something merely physical and transient. I think of that high spiritual value, that love which guides us "o'er moor and fen, o'er crag and torrent," ever going onward. Modern Masons must love their Fraternity, not momentarily, but eternally; not for what they can get from it, but because of what they can give through it to God and to a nobler world, marked, fashioned and builded through our grandest workmanship!

In James Hilton's book *Random Harvest* an English Clergyman was talking to a young couple about the dangers then threatening England. "The time may come", he said, "when it won't be enough to love England as a tired businessman loves his nap after lunch." How we may paraphrase this sentence and say to all Masons in this hour: it is not enough to love our Fraternity as a tired businessman loves his nap after lunch—we must love our cause with a zealous, determined and sacrificing spirit and thereby make sure of her eternal future.

And surely the future will be even brighter than her radiant past. Do you recall the hour in which our national anthem was written? In 1814 during the British bombardment of Baltimore, young Francis Scott Key went under a flag of truce aboard an English warship. He was detained aboard the enemy ship while the fleet was firing on Fort McHenry. He watched the progress of the fight during the night, and in the morning, seeing the stars and stripes still flying, he composed the song "The Star-Spangled Banner." In it is the line:

"Then conquer we must, when our cause it is just."

Such words seemed foolishly optimistic at that time, but the spirit of victory was within their hearts. And that spirit, translated into a lasting love, is the same quality which will insure the victory of Freemasonry in this hour and in the tomorrows, no matter who may fight against us, nor regardless of the obstacles which may be placed in our path.

Then conquer we must, for our cause is just!

MASONIC MEETINGS

The Grand Secretary attended, and assisted with, the Grand Master's Conference For District Deputy Grand Masters at Raleigh on May 7, 1955; seven Emergent Communications of the Grand Lodge, including the one held at Raleigh on December 15, 1955, for the purpose of laying the cornerstone of the Grand Lodge Executive Office Building; the constitution of the three lodges chartered during the year; the institution of the four lodges granted dispensations during the year; the Annual Communication of the Grand Lodge of South Carolina, in company with our Grand Master; the Annual Communication of the Grand Lodge of Illinois; visited and studied in the Iowa Masonic Library for two days; and attended as many District Meetings and other Masonic meetings and special occasions as the other important and necessary duties of the Grand Secretary's Office would permit.

**M. W. BROTHER CHARLES HARRISON PUGH
GRAND MASTER OF MASONS IN NORTH CAROLINA**

One of the greatest pleasures and joys of the Grand Secretary is his association with, and service to, his Grand Master. The sympathetic understanding, cooperation and encouragement of M. W. Brother Charles Harrison Pugh, our Grand Master, during the year now ending made lighter some of the difficult duties of this humble servant. The dignity and aggressiveness with which he conducted himself in the high office of Grand Master will make his administration one to be favorably remembered for many years to come.

**M. W. BROTHER CHARLES BAILEY NEWCOMB
PAST GRAND MASTER
PAST GRAND SECRETARY**

No report of this Grand Secretary would be complete without expressing sincere appreciation for the continued friendship and co-

operation of M. W. Brother Charles Bailey Newcomb, and this I now do. *Thanks again, and God bless you!!!*

THE GRAND SECRETARY'S OFFICE

We can only report that the demands for service by the Grand Secretary's Office continue to increase, and that we are doing everything humanly possible to render the service demanded by the brethren, *even to continuing* a seven-day week—no vacation—no holiday—schedule for the Grand Secretary, standard procedure for *ten* years now. Any failures to render service have *not* been due to lack of desire or interest, but rather to lack of time and personnel. During the ten-year period from January 1, 1946, to December 31, 1955, we have had a net increase of twenty-nine (8.5%) in the number of lodges (from 315 to 340) under the jurisdiction of the Grand Lodge, and we have during the same period had a net increase of 23,692 (67.6%) in the number of Master Masons (from 35,014 to 58,706) on the rolls of these lodges.

A detailed report of our *needs* as to personnel, equipment, supplies, etc., to enable us to better serve the Craft, will be placed before the Committee on Finance, and we again earnestly solicit your full cooperation for the good of Masonry.

APPRECIATION

The increased service which we have been able to render during the past year has been largely due to the faithful cooperation, and the patience and understanding, of many of you. To all, I here record my grateful appreciation, and particularly to the Line Officers of the Grand Lodge, the Past Grand Masters, the members of the Boards, Commissions and Committees, the District Deputy Grand Masters, the Masters of our lodges, the Secretaries of our lodges (yes, the *right arm* of the Grand Secretary), and the faithful, efficient and struggling staff in the office of the Grand Secretary.

Respectfully submitted,

W. L. McIVER, *Grand Secretary.*

REPORT OF THE AUDITOR

(Docket No. 7)

Brother Robert B. Spencer, Certified Public Accountant, Auditor, made the following report which was referred to the Committee on Finance:

To The Most Worshipful Grand Lodge of North Carolina:

BRETHREN:

I herewith present my report as Auditor of The Grand Lodge for the year ended December 31, 1955.

As directed by the Grand Lodge, I have audited the financial records of the Masonic and Eastern Star Home, Oxford Orphanage, The North Carolina Masonic Foundation, Inc., Grand Secretary and Grand Treasurer. Full financial reports have been rendered thereon.

The Grand Lodge has wisely entrusted its financial affairs to Masons worthy of the name in every respect. Their devotion to duty

and efficiency in performing their task is reflected in the records. The financial structure of the Grand Lodge is sound.

I am of the opinion that all receipts have been accounted for and all disbursements properly made.

Respectfully submitted,

ROBERT B. SPENCER,
Certified Public Accountant, *Auditor*,
The Grand Lodge of A.F. & A.M. of
North Carolina.

REPORT OF THE CODE COMMISSION

(Docket No. 8)

The following report of the Code Commission was read, entered on the record, and referred to the Committee on Masonic Jurisprudence:

To The Most Worshipful Grand Lodge of North Carolina:

We report on two matters that are pending before us and which have not been completed.

ITEM I. The preparation of Volume III of "A DIGEST OF MASONIC LAW OF NORTH CAROLINA, 1926-1953". This item was referred to us in 1953, see 1953 Proceedings at pages 58 and 166. This work has been finished as far as we can go with it until the completion of the second item of business now pending with us which we discuss in the next paragraph.

ITEM II. A review of THE CODE of 1948 for such amendments as will bring THE CODE up to date by incorporating therein the enactments made since it was published and to correct any conflicts that may be found in the present edition before it is reprinted. Owing to conditions beyond our control during the past year, also due to the lack of cooperation from those in a position to materially assist in this job, we have made little progress. This item was referred to us in 1954, see Proceedings 1954 at page 157; and, since that time, we have mailed three circulars to Grand Lodge Officers, Past Grand Masters, Masters and Secretaries of lodges, the District Deputy Grand Masters, and the Certified Lecturers and Instructors, requesting them to give us the benefit of their experience with THE CODE since 1948 and to offer suggestions for amendments. We have received only 32 suggestions, practically all of them since January 1st this year. We feel that we should give at least one more opportunity for the Craft to cooperate in this important matter.

We have reported to the Grand Master in detail on both of these items, and he has made a recommendation thereon in his Report to Annual Communication in which we heartily concur.

Respectfully submitted,

CHAS. B. NEWCOMB, *P.G.M., P.G.S., Chairman*,
EMERY B. DENNY, *P.M.*,
MAXWELL E. HOFFMAN, *P.G.M.*

**REPORT OF COMMITTEE
ON FOREIGN CORRESPONDENCE**

(Docket No. 10)

The following report of the Committee on Foreign Correspondence was read and adopted *as to withdrawal of recognition and fraternal relations with the Grand Lodge of Egypt:*

To The Most Worshipful Grand Lodge of North Carolina:

BRETHREN:

No requests for recognition have been received by the Committee this year.

Questions have been raised relative to the Grand Lodge of Uruguay. Several years ago this body ceased to require the Bible on its altar. We are informed that many good brethren are anxious to return to the ancient standards and have been working to accomplish this result. Because of the fact that the Grand Lodge is out of favor with the government and that no Masonic letters are delivered to the body or to the individual brethren, we feel that we should reserve judgment and take no action which might cause discouragement to the faithful brethren at the present time.

We regret to report great confusion in the Craft in Egypt. Disension having arisen, two Grand Lodges now exist, neither of which can be considered regular. A letter which was written, requesting information, to an official in Egypt, remains unanswered. Until the situation is cleared up, it seems best to the Committee to recommend withdrawal of recognition. We, therefore, recommend that the Grand Lodge of North Carolina withdraw its recognition of the Grand Lodge of Egypt and cease fraternal relations therewith.

Respectfully submitted,

WALLACE E. CALDWELL, P.G.M., *Chairman.*

**REPORT OF THE COMMITTEE ON MASONIC AND
EASTERN STAR HOME OF NORTH CAROLINA****Incorporated**

(Docket No. 12)

The following report of the Committee on the Masonic and Eastern Star Home of North Carolina, Incorporated, was read, received, entered on the record, and referred to the Committee on Finance:

To The Most Worshipful Grand Lodge of North Carolina:

Sunday, April 8, was a beautiful, clear and crisp spring day when members of your committee on Masonic and Eastern Star Home made its final visit to the home prior to writing this report.

Previous visits had already determined that the operations of the home in all its categories were being conducted in a satisfactory and commendable manner.

Condition of the property has been examined and found to be in good repair. Many improvements have been made to the physical plant during the year, as indicated in the Superintendent's report. Other improvements and changes are planned in order to combat depreciation and to take advantage of improved methods and equipment. It is very pleasing to note the well-groomed condition of the grounds. This is not entirely attributable to the very efficient maintenance crew, but some credit must go to several of the guests who give much time and thought to the care of flowers and shrubs. One hillside in particular has been cleaned and grubbed. Violets and other plants are now growing where it was once barren except for dead leaves and underbrush. One sweet little lady in her eighties conducts this project, not only making the place more beautiful, but expressing her own love and appreciation for a place she can call home. Other guests have voluntary projects such as the "duck man," who sees that the ducks on the pond in the front lawn are fed and cared for.

These are mentioned only as an indication of the peaceful and home-like atmosphere that is enjoyed by all the family.

Reports of the various officers and directors have been examined as required by Regulation 38-16 and found to be in good order. Finances are in excellent condition and reflect, not only good business management on the part of the Superintendent and Directors, but also to the continuing generosity and concern of Blue Lodge Masons throughout North Carolina.

Religious services are conducted at three o'clock every Sunday afternoon in the chapel by various bodies about the community. At eight o'clock every morning, a short devotion is held in the living room, usually conducted by the Superintendent or Matron, but occasionally by one of the guests. These two services provide immeasurable comfort to those in the evening of this life.

Even though things are in excellent condition, we do not mean to imply that no further improvement in facilities and accommodations can be made. We suggest and recommend that each lodge desiring to do so make direct contact with the home and find out what specific project, large or small, can be undertaken that will be of most benefit toward improving the very fine facilities we now have.

We suggest and recommend that more of our Masonic brethren

visit the home. It will mean much to the guests and will be a real inspiration to the visitor.

The Superintendent, his staff and the Board of Directors are to be commended for the high standards of excellence that are being maintained at our Masonic and Eastern Star Home.

Respectfully submitted,

F. O. GIBBS, *Chairman*,

WADE H. DICKENS,

REPORT OF THE BOARD OF DIRECTORS OF THE OXFORD ORPHANAGE, Incorporated

(Docket No. 13)

The Board of Directors of The Oxford Orphanage, Inc., presented the following report, which was read by W. Brother J. Edward Rooker, Jr., P.M., received, entered on the record, and referred to the Committee on Finance:

To The Most Worshipful Grand Lodge of North Carolina:

The Board of Directors of Oxford Orphanage herewith submits its report to the Grand Lodge of Ancient, Free and Accepted Masons of North Carolina, which includes a detailed report of the Superintendent and the varied departments of the Orphanage.

The Board of Directors held its regular meetings throughout the year and administered all the affairs of the Orphanage. The Executive Committee and the Local Advisory Board held their meetings, transacted their business and made full reports to the Board of Directors.

We are especially grateful to the Grand Lodge, the various Masonic related bodies, the Shrine Temples, the Order of the Eastern Star, DeMolay and Rainbow Girls for the interest they manifest and the contribution they make to our children's welfare.

We greatly appreciate the continued appropriation of the State of North Carolina and the approval and support of the Duke Endowment.

We are greatly appreciative of the tremendous response by the officers and Oxford Orphanage Committees in the local Masonic lodges because of their response to our invitations to visit our Orphanage during the past year. Because of these visitations, the vitality of our program has been enlarged, and we believe that Masonry has greatly benefited because of the spirit of joy that was found in our Orphanage. Our greatest happiness came in the realization that a Recreational Building has been erected for our children.

which will insure a wholesome, well-rounded life while they are students in our care. The tremendous interests reflected in the erection of this building, especially by the attendance at the opening ceremony, makes us realize the place that our Orphanage occupies in the life of Masonry. We realize that in deciding to dismantle the St. John's College building and the Orphanage dining room-kitchen, that we have begun a courageous, far-reaching experience. Tremendous exertion of energy and great sacrifice will have to be made prior to completion of these building needs, however, we believe that it is necessary to replace these buildings with new fire-proof structures which will be adequate and efficient so that our children may be protected from all danger including sub-health dining facilities.

We urge each Mason to visit the Orphanage and see for himself the needs of these buildings so that we together may arise to the calling and meet this need of our Orphanage in record time.

Because of the generosity of Masons and friends, Oxford Orphanage was able to complete another year without incurring any debt. We continue our maintenance program to preserve our buildings efficiently. All of our buildings are adequately covered by insurance.

During the year 1955 our Orphanage was filled to capacity. We closed the year with an enrollment of 320 children, serving children from 65 counties, of which 30 were children of Masonic heritage.

We recommend that the Grand Lodge appropriate the same amount for the support of the Orphanage for the year 1956. Again we urge each lodge to arrange a visitation pilgrimage to Oxford Orphanage and permit each Mason the opportunity to share the life and activity of our children.

Respectfully submitted,

Orphanage, Inc.,*

**REPORT OF THE COMMITTEE
ON OXFORD ORPHANAGE**

(Docket No. 14)

The following report of the Committee on Oxford Orphanage was read, entered on the record, and referred to the Committee on Finance:

To The Most Worshipful Grand Lodge of North Carolina:

During the year your Committee on Oxford Orphanage visited our Orphanage with a majority of the Committee members in attendance. On the basis of this official visit and other visits by individual members of your Committee, we make the following observations and recommendations.

1. Our Orphanage is being run in a very efficient manner.
2. Our children in our Orphanage are receiving better training than are the children in the majority of private homes within the knowledge of your Committee.
3. Our children, upon graduation from school in our Orphanage, are far better equipped to face life, to live happily and to become good and useful citizens than are a vast majority of the children of the same age who have grown up outside our institution.
4. The Superintendent of our Orphanage and his staff are to be highly commended for the outstanding job they are doing.
5. We highly commend all who had a part, in any way, in the construction of the Recreation Building. It is a beautiful and well-constructed building, inside and out but, which is more important, it fills a long standing need of our Orphanage.
6. Some of the furniture—beds, springs and mattresses, in particular—are in rather poor condition and should be replaced as funds become available. The interiors of some of the buildings need painting. This, of course, will entail additional maintenance expenditures over the next two or three years, but it is a necessary item of expense.
7. The food served to our children is excellent in quality and is well prepared. The diet is well balanced.
8. The building in which the food is prepared and served, along with the St. John's College Building, is in rather poor condition. It is the understanding of your Committee that the Board of Directors have investigated the cost of renovating these buildings and find that they are beyond economical repair. After inspecting these buildings, and observing their facilities, your Committee agrees that, after a combined service of more than 175 years, they have fulfilled their destiny and should be replaced so that today's needs of our Orphanage can be more adequately met.
9. Your Committee endorses, to the fullest, the Board's plans to replace the two above-mentioned buildings. Also, the proposed method of raising the necessary funds for this work. We pledge our full support, and we earnestly solicit the support of every Mason in North Carolina of this most worthwhile and necessary work.
10. Your Committee feels that 'Oxford Orphanage Visitation Day' is an outstanding event at which time all Subordinate Lodge

Orphanage Committee members, and all other Masons who can do so should visit our Orphanage.

Your Committee feels that every Mason in North Carolina can, justifiably, be proud of the work that is being done by the Board of Directors and by the Superintendent of the Orphanage and his staff. We further feel, that we as Masons, should show our appreciation to these men for their unceasing efforts on behalf of our children by providing, with all possible dispatch, the necessary funds for the replacement, with modern buildings having adequate facilities, the two obsolete buildings mentioned under items Nos. 8 and 9 of this report.

Respectfully submitted,
GORDON L. BUTLER, *P.M.*, *Chairman*,
THOMAS G. SLATE, *P.M.*,
GEORGE W. HART (S-132).

REPORT OF THE SPECIAL COMMITTEE ON GRAND LODGE BUILDING AND QUARTERS

(Docket No. 15)

The following report of the Special Committee on Building and Quarters was read, entered on the record, and referred to the Committee on Finance:

To The Most Worshipful Grand Lodge of North Carolina:

At the meeting of the Grand Lodge at High Point in 1954, your Committee reported that the lot on Highways 70 and 15-A, just North of the City Limits of the City of Raleigh, had been purchased. The Grand Lodge, at that meeting, authorized the Committee to proceed with the plans and specifications and to let the contract for our new Grand Lodge Executive Office Building.

At the meeting of the Grand Lodge in Wilmington in 1955, your Committee reported, and there had on display plans for our Grand Lodge Executive Office Building.

Immediately after adjournment of the Grand Lodge in Wilmington, your Committee met and let the contract to J. M. Thompson Company, General Contractors, of Raleigh, for the sum of \$269,000.00, which amount was afterwards reduced to \$247,500.00.

Work was started and the foundation was laid. There was a delay of about four months in construction. On December 15, 1955, the cornerstone was laid by M. W. Brother Charles Harrison Pugh, Grand Master of Masons in North Carolina.

An extremely cold winter held up work on the building, but construction is now progressing nicely.

Although it is difficult to visualize the completed building at the present state of construction, we hope you will visit your building project and approve of your Committee's efforts.

When the building is completed about October 1, 1956, we believe The Grand Lodge of North Carolina will have a most modern and efficient Grand Secretary's Office and Library Building.

To The Most Worshipful Grand Lodge of North Carolina:

BRETHREN:

We report that, pursuant to the action taken by the Grand Lodge at the Annual Communication in 1955 (SEE pages 188 and 189 of the Proceedings for 1955), the Charter of the Masonic Temple Construction Company has been canceled and the corporation dissolved, as evidenced by the FINAL CERTIFICATE OF DISSOLUTION issued by the Honorable Thad Eure, Secretary of State for the State of North Carolina, on April 10, 1956. (SEE facsimile of FINAL CERTIFICATE OF DISSOLUTION in the APPENDIX to these Proceedings.)

We recommend, therefore, that this Grand Lodge now discontinue the practice of electing both the Masonic Temple Committee heretofore elected at each Annual Communication and the Board of Directors of the Masonic Temple Construction Company heretofore elected under the provision of Regulation 33-04 of THE CODE of 1948, as amended April 22, 1953.

MASONIC TEMPLE COMMITTEE,

W. L. McIVER, *Secretary for the Committee.*

The following report of the Special Committee on Grand Lodge Library was read, entered on the record, and referred to the Committee on Finance:

To The Most Worshipful Grand Lodge of North Carolina:

Your Special Committee on Grand Lodge Library again recommends:

1. That our Grand Lodge seriously consider and provide for the needs of our Grand Lodge Library, as we proceed with the construction and equipment of our new executive office building, and that ample provision be made for a Masonic Library, a Masonic Museum, and Masonic Archives.

3. That our lodges be encouraged to deposit in the archives vaults of the new Grand Lodge building their valuable minute books and other important records, in order that we may have no more such valuable items destroyed by fire or other destructive forces in the future.

RESOLUTION RELATIVE TO GRAVE MARKER OF PAST GRAND MASTER BENJAMIN SMITH

(Docket No. 28)

The following resolution was read, received, entered on the record, and referred to the Committee on Finance:

To The Most Worshipful Grand Lodge of North Carolina:

The marble slab, with Grand Lodge Inscription thereon, over the grave of Benjamin Smith, former Governor of North Carolina and Past Grand Master of The Grand Lodge of North Carolina—needs restoration.

This site on Lower Cape Fear River beside old St. Phillip's Church near original town of Brunswick below Wilmington, N. C. was inspected in February, 1956, by C. T. McClenaghan, P.M. (218) a member of The North Carolina Society of The Cincinnati. He reports the grave marker severely damaged by hurricanes.

It is requested that the Grand Master appoint a Special Committee, with power to act, and have this grave marker repaired or replaced in such manner to honor The Grand Lodge of North Carolina and the memory of M. W. Brother Benjamin Smith.

This to be referred to the Finance Committee for approval.

REPORT OF THE GRAND HISTORIAN

(Docket No. 30)

The following report of the Grand Historian was read and entered on the record:

To The Most Worshipful Grand Lodge of North Carolina:

There is a thrill about history when objects associated with notable events of the past are displayed. Such an experience came in reviewing the contents of the cornerstone of the old building at Oxford, carefully arranged for inspection by visitors who delighted in their pilgrimage there.

Another occasion that attracted wide interest of the Fraternity was the celebration of the 135th anniversary on March 21 of Greensboro Lodge No. 76. Under direction of Brother Earley W. Bridges, the Box Committee secured a metal box, filled it with items of Masonic and other historical interest, imbedded it under the five steps of the winding stairs of the Temple in Greensboro, and fastened on the wall a marker with directions for opening the box in the year 2071 A. D.; which will be the 250th anniversary of "Old 76."

The Grand Historian could not begin to keep up with the travels of Most Worshipful Charles H. Pugh in his statewide visitation, but he did cross the Grand Master's path several times in visiting Oxford, Mocksville, Farmington, Lewisville, and Pilot Mountain, and he assisted a number of other Lodges by conference and communication.

DOUGLAS L. RIGHTS, *Grand Historian.*

**RESOLUTION RELATIVE TO
PROPOSED HONORARIUM FOR
BROTHER PERCY CLIFTON STOTT**

(Docket No. 31)

W. Brother William A. Hooks, P.M., presented the following resolution, which was read, entered on the record, referred to the Board of General Purposes as to the matter of policy involved, and referred to the Committee on Finance as to the matter of finance involved:

To The Most Worshipful Grand Lodge of North Carolina:

We approve and recommend the appropriation of an honorarium

of \$1,000.00 to Brother Percy Clifton Stott in appreciation of his long and faithful service to Masonry in North Carolina, as a lecturer since 1924.

Respectfully submitted,

WILLIAM A. HOOKS, P.M.

REPORT OF THE GRAND LECTURER

(Docket No. 32)

The Grand Lecturer presented the following report, which was read, entered on the record, and referred to the Board of Custodians:

To The Most Worshipful Grand Lodge of North Carolina:

Ritualistic proficiency is higher throughout the state than at any time in recent years. The Certified Lecturers system, the Schools of Instruction, and the Lodge System of Masonic Education have done much to improve proficiency in the work and to educate the young Mason in the tenets of the Craft. During this Masonic year, fifty-nine Schools of Instruction have been reported to me, being held in thirty-three Districts. A great many lodges received Lecture Service, as will be shown by the report of the Board of Custodians. Reports from thirty-three Districts indicate that, out of 217 lodges in those Districts, 178 of them are using the Lodge System of Masonic Education, and there are, no doubt, many lodges in those Districts which did not report, using it.

The number of men passing the examinations for Certified Lecturer and Certified Instructor during the year, as well as the number of each class now on the roll, will be in the report of the Board of Custodians. I do want to call attention here to the fact that, although this number is increasing, there is still a great need for more Certified men. I think I should also call attention to the fact that, although Schools of Instruction were reported in thirty-three Districts, there were still nineteen Districts that did not report any Schools. Also, as of December 31, 1955, there were thirty-eight lodges who had not had Lecture Service within the past two years.

So, although the work of acquiring greater proficiency is moving forward and is better today than it was a year ago, there is still much to be hoped for and accomplished before we will be even near the goal of proficiency set by the Board of Custodians.

I want to thank the Grand Lodge for giving me the opportunity to serve this past year as Grand Lecturer. My especial thanks to the Board of Custodians, particularly the Chairman and the Secretary; to the Most Worshipful Grand Master; to all the District Deputy Grand Masters and District Deputy Grand Lecturers, who have co-operated with me so wonderfully; to the Grand Secretary; and to all the Brethren who have had a part in improving ritualistic proficiency. To them, more than to me, belong the credit for any success that may have been attained this year.

Respectfully submitted,

FRED C. KINZIE, *Grand Lecturer.*

REPORT OF THE JUDGE ADVOCATE

(Docket No. 33)

The following report of the Judge Advocate was read, received, and entered on the record:

To The Most Worshipful Grand Lodge of North Carolina:

The TRIAL CODE of this Grand Lodge was adopted in April 1948 and since that time 106 charges of un-Masonic conduct have been filed in the Office of the Grand Secretary, and 100 of these charges have been completed.

In April 1955 there were 10 cases on the Docket and since that time 10 new cases have been filed. During this past year 14 cases have been tried and completed and there are now 6 cases pending. Two of these cases have been tried but the files have not yet been returned to the Judge Advocate's office; two cases are being held for proper addresses of the accused; one will be tried early in May 1956, and the other case is being held pending receipt of suggested amendments to the complaint.

As my term of office expires at this meeting of the Grand Lodge I wish to express my appreciation for the co-operation given me by your Grand Master, the Grand Secretary and the many brethren who have served as Trial Commissioners. They have all been of great help in the unpleasant work of this office.

Respectfully submitted,

G. DUDLEY HUMPHREY,
Judge Advocate.

**REPORT OF THE REPRESENTATIVE TO THE
MASONIC SERVICE ASSOCIATION
OF THE UNITED STATES**

(Docket No. 34)

The following report of M.'W.'Brother Robert L. Pugh, Past Grand Master of Masons in North Carolina, was read and entered on the record. The recommendation that this Grand Lodge continue its membership in the Masonic Service Association of the United States for the ensuing year was adopted unanimously, and the matter of finances was referred to the Committee on Finance:

To The Most Worshipful Grand Lodge of North Carolina:

The Masonic Service Association convened in its Thirty-Seventh Annual Meeting in the South American Room of the Hotel Statler, Washington, D. C., at nine-thirty o'clock, Thursday morning, February twenty-third, 1956. The meeting was opened by the Chairman, M.'W.'Samuel H. Wragg, P.G.M. of Massachusetts and, after the invocation by the Rev. Edward G. Latch, Grand Chaplain of the District of Columbia, the Roll of the Grand Lodge representations was called. Thirty-six Grand Lodges of the United States are members of the Association, and all thirty-six were represented. North Carolina was ably represented by a delegation headed by its Grand Master, M.'W.'Charles H. Pugh. Others in the delegation, other

than the Official Representative, included M. W. Hubert M. Poteat who is also a most useful and valuable member of the Executive Commission of the Association; M. W. Charles B. Newcomb; R. W. John C. Vance, Deputy Grand Master; and Worshipful Eli Hand, Senior Grand Deacon.

One of the highlights of the meeting of this Association is always the presentation of the Report of the Executive Commission of the activities of the Association for the past year. This Report is presented by our own Hubert Poteat and is always done in such a masterful manner that we brethren from North Carolina take particular pleasure in swelling our chests with pride. It is a lengthy report, and is seldom a dramatic one, but when presented by our own Hubert, it seems to assume proportions of dramatic beauty and it captures the attention and imagination of every one present.

This meeting also included two other interesting features which should be recorded. One was an address entitled, "Courage" by W. John D. Cunningham who is the Director of Welfare Service for our Association. In straight-forward, simple, and beautiful language Brother Cunningham told the story of our Hospital Visitation Program, citing examples of heroic courage displayed by patients in our Veterans Hospitals, who, because of the help and encouragement given by our Hospital Visitors, could now look forward to the future with courage and hope. In a most graphic manner he related the story of one young man, whose every muscle, save those in his neck, was paralyzed and useless. Yet, through long, weary months of training, encouragement, and almost unbelievable courage, this young man has produced beautiful landscape paintings which could easily be classified as artistic by any standard. He had created these by holding the brush in his teeth, with his bed elevated at a maneuverable angle, and thus making the strokes to depict in oils on canvas the courage of an unconquerable soul. Surely, if every dollar our Grand Lodges had contributed to the Hospital Visitation Program had been channelled to the welfare and rehabilitation of only this one case, it would have been money well spent. But more of our Hospital Program later.

Another interesting and informative feature was a report by the Chairman of the Masonic Service Association Committee on Foreign Relations, M. W. Brother Ray V. Denslow, P.G.M., of Missouri. Brother Denslow, at the request of the Grand Masters' Conference Commission on Information for Recognition, had made a study of available information to determine which Grand Lodges (Foreign) had been recognized by which foreign Grand Lodges. For the best part of nine months he conducted a correspondence with more than 160 foreign Grand Lodges and his results, both facts and opinions, are now expressed in his booklet entitled, "Regular, Irregular and Clandestine Grand Lodges, a Study of Foreign Recognitions." This unusual and valuable piece of Masonic Lore was financed by the Supreme Council of the Ancient and Accepted Scottish Rite, Northern Jurisdiction and is now available through our Masonic Service Association.

It is recorded also that during the year the Association has been prompt to offer assistance to Masons and Masonic lodges everywhere whenever such lodges have found themselves in need of assistance, whether from fire, earthquake, hurricanes, or privation.

During 1955 twelve issues of the Short Talk Bulletin were published and distributed to the member lodges, the Bulletins being

mailed to the Master of the Lodge. Our educational work is conducted in the belief that Masonic information spreads most easily from the top down; that a well-informed leadership is the beginning of a well-informed craft. Hence, these documents, which go to Masonic leaders, represent a compartmentalizing of Masonic information of incalculable value to Masonic researchers, historians, leaders, and students of the future.

Of high importance in the Association's work in Masonic education is making available Masonic facts, figures, stories, documents, and information obtainable otherwise only by long and difficult research. We believe this year's contribution to Masonic education of fifteen digests and documents to be superior in context to any previously offered. As a souvenir to those of us attending the Association, a booklet, recently issued by the Association titled: "What? When? Where? Why? Who? In Freemasonry", was presented to each. It should prove of great interest and is easily adapted to educational programs in the lodges. Nothing quite like it has been provided before for the Masonic public in such terse and easily accessible form.

The operational functioning of the Association is divided into two great classifications. The first of these constitutes the regular work of the Association, a portion of which I have been describing. To permit the Association to carry on these activities each of the Grand Lodges contributes a certain amount in membership dues. North Carolina has been appropriating the sum of fourteen hundred dollars for this purpose. It is recommended that this same amount be made available for the ensuing year.

The other important activity conducted by the Association, and which I have briefly mentioned, is its welfare work, which includes the Hospital Visitation Program in our Veterans Hospitals. This program also is supported by contributions from the Grand Lodges, and, unfortunately, the program is suffering because of a lack of adequate support. Last year, a tremendous plea was made for more funds with which to carry on this activity, and although, an increase in contributions was noted, receipts were still below expenditures. To be exact, in 1955 we received \$181,454.06, but in that same year we spent \$183,992.77, a deficit of more than two thousand dollars.

The men who represent us as our Hospital Visitors are our Chief Assets in this program. We constantly strive, and do attract to our ranks capable, dedicated brothers who will be and are a credit to the fraternity. But dedicated tho they are, they still have to eat to live and our salaries do not permit many sirloin steaks or beef roasts. Far more depressing to them is the ever present specter of unemployment hanging over their heads. They realize that the service to which they are so devoted and for which they have sacrificed job security and higher wages is, because of uncertain financing, literally existing from pay day to pay day.

In North Carolina in our Veterans Hospitals last year, these Hospital Visitors made 6,391 visits to new patients; 24,944 visits to old patients; and 1,708 visits to patients with Masonic membership. Somewhere in the various Veterans Hospitals supported by our Government there are 6,954 North Carolina Masons who were visited last year by these Visitors. This is probably the most humanitarian

program supported by Masons and it ought to have the enthusiastic encouragement of every one. North Carolina's contribution for several years now has remained practically static, \$3,000.00 each year; and yet, it is interesting to note that the Welfare Department of the Association spent almost \$4,000.00 last year for this program in North Carolina, our own Grand Jurisdiction! They expended more for us, and in our own State, than we contributed. Our annual appropriation of \$3,000.00 should be increased. Bear in mind that dues to the Masonic Service Association do not pay any part of the hospital visitation service.

Respectfully submitted,

ROBERT L. PUGH, *P.G.M., Representative.*

REPORT OF THE REPRESENTATIVE TO THE GEORGE WASHINGTON MASONIC NATIONAL MEMORIAL ASSOCIATION

(Docket No. 35)

The following report of M. W. Brother Robert L. Pugh, Past Grand Master of Masons in North Carolina, was read, entered on the record, and referred to the Committee on Finance:

To The Most Worshipful Grand Lodge of North Carolina:

The regular annual meeting of The George Washington Masonic National Memorial Association was held in the Memorial at Alexandria, Virginia, February 22, 1956.

The meeting was well attended as all fifty of the Grand Masters were present and many accompanied by large delegations from their Grand Lodges. A number of Grand Masters were present from Canada and a number were present from other foreign Grand Jurisdictions. As usual, we were honored by a fine representation from North Carolina, headed by our Grand Master, Most Worshipful Brother Charles H. Pugh.

The contributions received were as follows:

For the Building Fund.....	\$ 80,487.76
For the Endowment Fund.....	48,688.50

TOTAL	\$129,176.26
-------------	--------------

Our total expenditures since the beginning of operations in 1922 to March 10, 1956, are as follows:

Building Construction.....	\$4,739,231.13
Grounds Construction.....	309,790.29
General Disbursements and Promotion.....	466,959.16
Purchase of Land.....	73,313.88
Maintenance and Operation of Building.....	506,727.11
Maintenance of Grounds.....	119,928.65

TOTAL	\$6,215,950.22
-------------	----------------

Brother Clifford Jory, President of the Association, gave a report on progress and stated as follows:

"That the General Museum Room was more than three-fourths completed.

"That the Royal Arch Room, under the direction of Brother Wallace E. Caldwell, Past Grand Master of North Carolina, was almost completed and that the murals had been placed. That the Room would be dedicated next February 22, 1957. The room was officially presented at this time by M.'W.'Brother Caldwell.

"That the Grand Encampment, K. T., had assumed the responsibility to complete the Eighth Floor as a Templar Chapel and would have the Chapel Completed for dedication on Saturday before Easter, 1957.

"That the General Grand Council, R. & S.M., were raising funds for the completion of the Seventh Mezzanine Floor to be known as the National Cryptic Room.

"That a contract had been placed with the Otis Elevator Company for the installation of our second elevator and that it would be ready, January 1, 1957.

"That with the completion of our present work and the completion of the Eighth and Seventh Floor and the elevator, the building would be functionally complete."

With the above work completed, we will then be ready to take the public to the upper portions of the building and this will necessitate an increase in our personnel.

I have noticed that the enthusiasm has been increasing in our recent annual meetings, and I also am aware that our contributions are less each year. At our last meeting every contribution received, with the exception of West Virginia, was less.

Although the building is nearing completion, at the present time, our entire project is about 60 per cent complete. It is most necessary now that every Grand Lodge, every Lodge and every member of the Craft be informed as it should be their personal responsibility and privilege to give again to raise a suitable endowment fund. When the Association was formed in 1911, it was the firm belief that every Mason would embrace the opportunity to give his small share, thereby expressing his love for the Craft and what Washington has meant to him as a Mason; these small contributions making it unnecessary for any Grand Lodge to give of its general funds which it needs for other purposes.

The Association, through its officers and directors, has struggled along for these past forty-six years, slowly making progress. All work slowed up for the continual want of funds. All Masons are as generous as anyone else and this Memorial to Washington should be their first consideration.

Brother Clifford D. Jory was re-elected President of the Association, and Brother Frederick F. Schondau was re-elected Secretary-Treasurer.

Following the meeting a very delightful luncheon was served all those in attendance.

It is recommended that the Grand Lodge of North Carolina again appropriate its usual amount to the endowment fund.

Respectfully submitted,

ROBERT L. PUGH, *P.G.M., Representative.*

REPORT OF SPECIAL COMMITTEE ON MASONIC CEREMONIES

(Docket No. 36)

The following report of the Special Committee on Masonic Ceremonies was read and unanimously adopted, the matter of finance being referred to the Committee on Finance:

To The Most Worshipful Grand Lodge of North Carolina:

The Grand Lodge Book of Ceremonies has now been in use for several years. It has been used extensively by many brethren. In many of the Ceremonies, chiefly those which have been used almost exclusively by the Grand Masters, there have been many observable awkward instances and inconsistencies which each Grand Master has found necessary to change and adapt to the particular ceremony or service he was conducting.

In fact, it can be safely said that each of the Ceremonies included in the book should now be corrected and revised in the light of the judgment and wisdom of those who have had experience with its use and are willing to contribute the benefit of their knowledge.

It is noted also, that our present Grand Master has very successfully and with much favorable comment used a ceremony during the current year for the presentation of the Veteran's Emblem. This ceremony added much dignity and impressiveness to the official recognition of honored service.

It is recommended, therefore, that the entire Book of Ceremonies be given careful study, soliciting the benefit of the experience of those who have frequently used the Ceremonies, and, that after full and ample consideration, the Ceremonies be revised and re-published, including therein a Ceremony for the presentation of the Veteran's Emblem.

The Handbooks for the Masters, Secretaries, District Deputy Grand Masters, District Deputy Grand Lecturers, and also the Trial Manual have been prepared by the various committees charged with such responsibility. The Grand Master has met with the Committees who prepared the Handbooks and turned them over to the Chairman of the Committee on Masonic Ceremonies for consideration. The Chairman has conferred with the members of his Committee and wishes to report that at present it is felt the Handbooks do not fully measure up to the needs and expectations of the Grand Lodge and that further study in the practicability of such Handbooks is necessary before the Grand Lodge undertakes to publish them. The Handbook material that has been prepared represents much work and the Committees have labored diligently, but before they are published there should be a solidification of thought that it represents exactly what the Grand Lodge desires. It is recommended, therefore, that further study to this end be authorized.

Respectfully submitted,

REPORT OF COMMITTEE ON CHARTERS AND DISPENSATIONS

(Docket No. 39)

The following report of the Committee on Charters and Dispensations was read and adopted:

To The Most Worshipful Grand Lodge of North Carolina:

The applications for Charters from Albemarle Lodge U.D., Albemarle; King Solomon Lodge U.D., Gastonia; Richard Caswell Lodge U.D., Kinston; and Newport Lodge U.D., Newport, were examined by your Committee at meetings held during the morning and afternoon of Tuesday, April 17, 1956.

The record of each Lodge was examined to determine whether the requirements of THE CODE had been fulfilled. Most of the Officers of the Lodges under Dispensation were present to assist your Committee, at the proper time, in its evaluation of their record. We are satisfied that each of the Lodges has complied with all of the provisions of THE CODE relating to the chartering of a new Lodge.

We therefore recommend that a Charter be granted to each of these Lodges to work under the Grand Lodge of A.F. & A.M. of North Carolina.

We further recommend that Albemarle Lodge be given the number 703; that King Solomon Lodge be given the number 704; that Richard Caswell Lodge be given the number 705; and that Newport Lodge be given the number 706.

We wish to commend the Officers and members of each of these new Lodges, together with their District Deputy Grand Masters and District Deputy Grand Lecturers, for their devotion to the cause of Masonry in their communities.

REPORT OF THE COMMITTEE ON NECROLOGY

(Docket No. 40)

The following report of the Committee on Necrology was read, received, and entered on the record:

To The Most Worshipful Grand Lodge of North Carolina:

When men, bound together by the common ties of brotherhood, charity and truth, meet in annual convocation it is eminently fitting that some time be given to thought of the 792 of our brethren who have been elevated to the Supreme Grand Lodge above—that to which we all aspire and to which, in the course of time, we may become eligible.

Sharing a common belief in the immortality of the soul; in the sure knowledge that the ever-loving Supreme Being has promised us eternal refreshment in that house not made with hands; we cannot grieve for our brothers as those who part without hope; nor as those left behind without the assurance of a blessed reunion in the Celestial Lodge above, for we know that by faith in the redeeming power of the Lamb of Judah our bodies shall be raised as incorruptible as our souls and we shall join together in celebrating eternal refreshment where the Supreme Grand Master of the universe presides.

Although we miss their cheery presence, their warm handclasp, their encouraging friendships, our hearts are filled with gratitude for the privilege of their presence with us for the time that we were permitted to enjoy their comradeship and share with them our labors in His Vineyard here below.

We know that none of them were perfect, yet together we all strove to emulate the virtues taught by the eminent characters who have preceded us in the history of our Order. If, in so striving, we have helped in some little way to alleviate the pain of the suffering, to help sooth the fears of those who are helpless, to dry the tears of the orphan and widow and tried in humble ways to follow the teachings of our most wise and illustrious Master who taught us, "Inasmuch as ye have done it unto the least of these, my brethren, ye have done it unto me," then we have not lived in vain.

So, rather than mourning their absence, it is for us here to be dedicated to the continuance of the work which they have so nobly begun and to work for its furtherance, even to the farthest corners of the earth. Our memorial to them should be our rededication to the enduring principles of our Order, which have withstood the assaults of tyranny, fanaticism and ignorance, always ready and eager to discourage and enslave peoples.

Then let us resolve, collectively and individually, that our memorial to our departed brethren shall be in our rededication to the great principles of our Order. Let us strive with all our power, each in his own way, to hasten the day when the rule of Friendship, Morality and Brotherly Love shall rule all peoples. Then and only then may man approach the goal which our Maker intended for him to attain.

We may never attain that goal during our lives, but each of us in his own way can contribute his part to the final structure which shall endure forever, just as the infinitely tiny particles of coral

contribute their minute parts to the building of great islands and continents.

By our works shall we be known, and by our works shall we show forth to the world our gratitude for their presence with us—for the examples they have left us and for their devotion to the principles which motivated their lives.

To quote from the words of the great poet, Longfellow:

*"Life is real! Life is earnest!
And the grave is not its goal;
'Dust thou art, to dust returnest,'
Was not spoken of the soul.
'Lives of great men all remind us
We can make our lives sublime,
And, departing, leave behind us
Footsteps on the sands of time;—
'Footsteps that perhaps another,
Sailing o'er life's solemn main,
A forlorn and shipwrecked brother,
Seeing, shall take heart again.
'Let us, then, be up and doing,
With a heart for any fate;
Still achieveing, still pursuing,
Learn to labor and to wait."*

Respectfully submitted,

O. HAL HAMBY, *Chairman.*

REPORT OF THE COMMITTEE ON MASONIC EDUCATIONAL LOAN FUND

(Docket No. 42)

The following report of the committee on Masonic Educational Loan Fund was read, received, entered on the record, and referred to the Committee on Finance:

To the Most Worshipful Grand Lodge of North Carolina:

In April 1952, your Masonic Educational Loan Fund Committee reported to you that it had distributed to each of the participating grand bodies, their respective shares in the Fund, which had a total cash value of \$94,700.65. In April 1954, we reported to you that an additional sum of \$1,043.44 had been received and distributed. During 1955, we received a check of \$429.06 from Wake Forest College, covering the collection of an old note belonging to the Fund. This sum was distributed in the same manner as were the previous funds belonging to the Fund.

The following table shows the sums distributed, the shares of each grand body and the total distributed to each up to date:

Totals Distributed	Share of the Grand Lodge	Share of the Grand Chapter	Share of the Gr. Commandery	Share of the Scottish Rite
\$94,700.75	\$27,296.10	\$28,967.29	\$15,040.71	\$23,396.65
1,043.44	301.55	318.25	165.91	257.73
429.06	123.67	131.24	68.15	106.00
<hr/> \$96,173.25	<hr/> \$27,721.32	<hr/> \$29,416.78	<hr/> \$15,274.77	<hr/> \$23,760.38

In each of the above cases, the respective shares were paid in cash, with the exception of the Scottish Rite, whose share is held by the committee, at the request of the Scottish Rite,

Of the Scottish Rite share, the North Carolina Masonic Foundation, Inc., holds U. S. Savings Bonds, for the credit of your Committee, which had a cash redemption value of \$23,396.30 at the time of the distribution. The balance of \$364.08 is deposited on savings account in the Security National Bank, Raleigh, N. C., in the name of your committee. As of April 1, 1956, interest of \$10.99 had accrued and has been credited to the account, making a total balance in the account of \$375.07.

Your Committee holds the above bonds and savings account awaiting further instructions from this Grand Lodge or the Scottish Rite.

Respectfully submitted,

REPORT OF COMMITTEE ON APPEALS

(Docket No. 43)

The Committee on Appeals presented the following report, which was read, and upon motion, duly seconded, was adopted by sections and then adopted as a whole:

To the Most Worshipful Grand Lodge of North Carolina:

The Committee on Appeals respectfully submits the following report:

1. We have reviewed the record in all cases which have been completed since the Annual Communication in 1955, and now pending before the Committee, in all of which the punishment imposed was expulsion, and in none of which the accused appealed from the decision of the Trial Commission. We directed our attention to the validity of the appointment of Trial Commissioners, the service of notices upon the accused, the competency and weight of the evidence presented at the trial, and the decision of the Commission, all in accordance with the Regulations of this Grand Lodge as contained in Chapters 98 to 106, inclusive, of THE CODE of 1948. Your Committee approves the decision of the Trial Commission in each of the following cases, and recommends that the judgment of the Trial Commission in each case be affirmed by the Grand Lodge:

TRIAL DOCKET NO. 85: In the matter of charges preferred against a Master Mason of Holland Memorial Lodge No. 668, A.F. & A.M.

Expelled August 16, 1955.

TRIAL DOCKET NO. 90: In the matter of charges preferred against a Master Mason of Orient Lodge No. 395, A.F. & A.M.

Expelled January 31, 1956.

TRIAL DOCKET NO. 91: In the matter of charges preferred against a Master Mason of Laurinburg Lodge No. 305, A.F. & A. M.

Expelled February 4, 1956.

TRIAL DOCKET NO. 96: In the matter of charges preferred against a Master Mason of Mount Olive Lodge No. 208, A.F. & A.M.

TRIAL DOCKET NO. 105: In the matter of charges preferred against a Master Mason of Fellowship Lodge No. 687, A.F. & A.M.

Expelled February 18, 1956.

2. TRIAL DOCKET NO. 102: In the matter of charges preferred against a Master Mason of St. John's Lodge No. 1, A.F. & A.M. In this case the Judge Advocate entered his order dismissing the complaint and staying further proceedings on November 8, 1955, for that the accused had been judicially declared incompetent by a court of this State having jurisdiction over the accused prior to the date of the offenses alleged to have been committed. We recommend that the order dismissing the complaint be approved.

3. In the matter of the application of Caleb Ralph Inman for Restoration to Masonic rights and privileges. The application of the petitioner was filed with the Grand Secretary more than thirty days before this Annual Communication. The petitioner was dismembered on February 26, 1953 (TRIAL DOCKET NO. 56). Notice of intended application for restoration was served on Tabor Lodge No. 563, A.F. & A.M., in accordance with Chapter 109 of THE CODE of 1948, which application for restoration was favorably recommended and approved by that lodge. After carefully examining the record in this matter, this Committee recommends the Grand Lodge restore Caleb Ralph Inman to all the rights and privileges of a nonaffiliated Mason.

4. In the matter of the application of Hosey Brinston Todd for Restoration to Masonic rights and privileges. The application of the petitioner was filed with the Grand Secretary more than thirty days before this Annual Communication. The petitioner was dismembered on February 18, 1953 (Trial Docket No. 57). Notice of intended application for restoration was served on Tabor Lodge No. 563, A.F. & A.M. in accordance with Chapter 109 of THE CODE of 1948, which application for restoration was favorably recommended and approved by that lodge. After carefully examining the record in this matter, this Committee recommends the Grand Lodge restore Hosey Brinston Todd to all the rights and privileges of a nonaffiliated Mason.

5. In the matter of the application of William H. Starnes for Restoration of Masonic rights and privileges. The application of the petitioner was filed with the Grand Secretary more than thirty days before this Annual Communication. The petitioner, a Fellow Craft, was dismembered on February 16, 1953 (TRIAL DOCKET NO. 60). Notice of intended application for restoration was served on Temple Lodge No. 676, A.F. & A.M. in accordance with Chapter 109 of THE CODE of 1948, which application for restoration was favorably recommended and approved by that lodge. After carefully examining the record in this matter, this Committee recommends the Grand Lodge restore William H. Starnes to such rights and privileges as he may be entitled as a Fellow Craft.

6. In the matter of the application of J. B. B. for Restoration to Masonic rights and privileges. The application of the petitioner was filed with the Grand Secretary more than thirty days before this Annual Communication. The petitioner was dismembered on May 16, 1956 (TRIAL DOCKET NO. 12). Notice of intended application for restoration was served on Lebanon Lodge No. 391, A.F. & A.M., in accordance with Chapter 109 of THE CODE of 1948, which application for restoration was favorably recommended and approved by that lodge. After carefully examining the record in this matter, this Committee is of the opinion that the seriousness of the charges for which the petitioner was dismembered are such that petitioner is not entitled to restoration at this time. For that reason this Committee recommends that this Grand Lodge deny such application for restoration.

Respectfully submitted,

We are delighted to report that on December 31, 1955, there was due from Lodges only \$128.50, which we consider an exceedingly small Accounts Receivable.

We, your Finance Committee, recommend that the net income from the Permanent Fund for the year 1955 in the amount of \$29,637.30 be turned over to the Building Fund for payment on the construction of the Executive Offices. Also, that any net income from the same source received during the year 1956 be turned over to the Building Fund as received for the same purpose.

Again we recommend that the donation of \$1,000.00 to the George Washington Masonic National Memorial Association be applied to the Endowment Fund of the said George Washington Masonic National Memorial Association.

We recommend that the Grand Secretary purchase the Symbolic Lodge and Gold and Silver Vessels for cornerstone laying and dedications, as recommended by Grand Master Charles H. Pugh, and that payment for same be applied from the Contingent Fund.

With reference to a request from the custodian and committee of the Greensboro Masonic Museum for a Grand Lodge donation in the amount of \$500.00 to defray the expenses of printing a history of the Museum, after due consideration, we, the Committee on Finance, are of the unanimous opinion that the request be respectfully denied. The committee wishes to heartily commend the work of the custodian and to voice its appreciation for this highly worthwhile contribution to Masonic history. However, the committee at the same time also recognizes the fact that to grant this request might possibly set a precedent which could in the future prove to be embarrassing.

We have carefully considered the request by W. F. Dotson, Master, Gerald T. Shor, Senior Warden, Leon Chadwick, Jr., Junior Warden, of William G. Hill Lodge No. 218, and H. G. Price, D.D.G.M. of the 15th Masonic District, relative to a grave marker for Past Grand Master Benjamin Smith. We recommend that the incoming Grand Master appoint a committee to investigate the request and report to this Grand Lodge at our next Annual Communication, and make such recommendation as they may find expedient.

REPORT OF THE BOARD OF CUSTODIANS

(Docket No. 45)

The following report of the Board of Custodians was read. Thereafter, W. G. Dudley Humphrey, P.M., C.L., Judge Advocate, made the following motion which was adopted:

"That the report of the Board of Custodians be received and entered on the record and that the resolutions and recommendations proposed in that report each be adopted."

To The Most Worshipful Grand Lodge of North Carolina:

MEETINGS

ITEM 1. The Board has held five meetings since the last annual communication of the Grand Lodge.

On June 10, 1955, the Board met in the Sir Walter Hotel, Raleigh. All members were present. M. W. Charles H. Pugh, Grand Master, *ex officio*, Chairman, presided. The Board organized as required under Regulation 35-02. M. W. James E. Shipman, P.G.M., declined re-election as Chairman after thirteen years in that office; and R. W. James G. Johnston, P.M., C.L., Junior Grand Warden, was elected Chairman; M. W. Chas. B. Newcomb, P.G.M., P.G.S., was re-elected Secretary.

* No change was made in the present allowance for Lecture Service to lodges. We recommend that no change be made in the allowance as fees for this service.

* The rules that govern the allowance may be found on pages 497 through 499 of the Appendix of THE CODE. We recommend that these rules be printed also in the Appendix to the Proceedings of this annual communication.

No change was made in the duties prescribed for a District Deputy Grand Lecturer as found on page 159 of the Proceedings of 1950.

The Grand Lecturer reported that he has been working on those lodges that have not been lectured in two years, and that he had circularized the District Deputy Grand Masters and District Deputy Grand Lecturers in regard to that subject and also as to Proficiency Examinations.

ITEM II. On September 10, 1955, a special meeting of the Board was held at Wrightsville Beach, N. C. All members were present except W. William H. Hardy, P.M., C.L. M. W. Charles H. Pugh, Grand Master, Chairman, *ex officio*, presided.

At the suggestion of the Grand Master, Brothers Fred C. Kinzie, P.M., C.L., Grand Lecturer; Scott S. Fay, P.M., C.L.; William R. Hadley, P.M., C.L.; James E. Shipman, P.G.M.; and Herbert M. Foy, P.G.M., were appointed a Committee to prepare a Handbook for District Deputy Grand Lecturers.

The Grand Lecturer reported that he had continued his effort to promote Proficiency Examinations and Schools of Instruction.

R. W. James G. Johnston, P.M., C.L., Junior Grand Warden, Chairman, was requested to prepare a form of Certificate of Appointment.

* This recommendation was adopted.

ment of a District Deputy Grand Lecturer. He will report on this later.

The Board adopted the following resolution:

* BE IT RESOLVED, That the following named seventeen brethren be dropped from the Roster of Certified Members, because their certificates have expired or will expire prior to September 23, 1955, provided they are not re-examined by or before that date:

NAMES	COUNTY	AREA
Brewer, Joseph C.	Forsyth	III
Cowan, Wallace E.	Buncombe	V
Erwin, James H.	Mecklenburg	IV
Gregson, Sr., William D.	Lee	III
Honeycutt, Gilbert M.	Cumberland	II
Howard, Edward C.	Craven	I
Jones, Vernon L.	Randolph	III

McAlister, Horace A.	Durham	III
Roberts, Robert L.	Chatham	III
Skinner, Earl W.	Greene	II
Southern, James W.	Out of State	—
Wolfe, Nathan Carl	Pender	II

The Grand Lecturer reported an error in the Official Standard of the Work. Page 196, line 5, column 4, Y-9 should be Y-8.

The Secretary reported the plans had been completed for Proficiency Examinations in the new Area set-up as described in the report of this Board to the Grand Lodge of 1955. (See Proceedings 1955, pages 183 and 234.)

ITEM III. On January 13, 1956, a special meeting of the Board was held in the Sir Walter Hotel, Raleigh. All members were present. M. W. Charles H. Pugh, Grand Master, *ex officio*, Chairman, presided.

The Grand Master asked if the Area plan for the Proficiency Examinations were satisfactory. After general discussion, it was unanimously decided to continue that plan for 1956. The Board believes this plan is a step forward in more efficient work and that, in the future, it may be fixed with an organization in each Area to handle details of examinations.

The Secretary reported on the Proficiency Examinations held in September 1955 as follows:

Area	Examined	Passed	Failed	Re-Exam. A (No B)	New A	New B	Total A & B
I	7	7	0	4	3	0	7
II	25	24	1	14	9	1	24
III	18	18	0	7	9	2	18
IV	24	24	0	18	5	1	24
V	18	18	0	13	5	0	18
TOTAL	92	91	1	56	31	4	91

* This resolution was adopted.

The Grand Lecturer reported the progress made in lecturing lodges that had not been lectured for two years or more. He stated that we began the year with 34 lodges not lectured since 1952 and that 13 of those lodges had been cleared up to this date (January 13, 1956.)

The Grand Lecturer will check the Roster of District Deputy Grand Lecturers as to qualifications for re-appointments.

After careful consideration and believing it necessary in order to clarify Rule 5 (a) governing the lecture service, the Board adopted the following resolution:

* BE IT RESOLVED, That the Rules For The Government of The Lecture Service heretofore promulgated by this Board June 11, 1948, effective July 1, 1948, and printed in the Appendix of THE CODE on Pages 497 through 499 be amended at paragraph 5 (a) to make the paragraph read as follows:

"The lecturer may visit the lodge for the entire week on one trip, and he shall give not less than thirty hours of ACTUAL INSTRUCTION, *excluding* travel time and time when he is not actually instructing; *provided*, also, that there shall be instruction on each of not less than five different days, all within seven consecutive days, and for this class of service the fee shall not exceed \$50.00 per week, or".

The Board approved a form of Certificate of Appointment of a District Deputy Grand Lecturer as presented by the Chairman of the Board, Brother Johnston; and we request that the Grand Lodge approve the same. A copy of this Certificate is attached to this report; and we request that it be printed in the Proceedings of this annual communication as a part of this report.

ITEM IV. The Board held a special meeting on March 10, 1956, in Hotel Sir Walter at Raleigh. All members were present except M. W. James E. Shipman, P.G.M., who was detained on account of business.

The Grand Lecturer reported on a program of Schools of Instruction as planned and as held in 1955 and to date in 1956. These will be included in his annual report to the Grand Lodge. He also presented a list of District Deputy Grand Lecturers eligible for re-appointment and several names for first appointments. These were considered and discussed by the Board, but no action taken at this meeting.

W. Charles P. Separk, P.M., C.L., was requested to confer with the local committee in Raleigh having charge of the details of the Grand Lodge program with the view of working out a satisfactory schedule for exemplification of the Three Degrees at the annual communication April 1956; and, if a satisfactory schedule could be made, arrange for the exemplification of the Three Degrees.

W. Charles P. Separk, P.M., C.L., was requested to work with our Grand Secretary in reprinting the necessary copies of Bahnson's Manual and The Lodge System of Masonic Education. The Board suggests that the next printing of these publications should be sufficient to meet the demand for at least two years.

* This resolution was adopted by the Grand Lodge also.

 Chairman

Attest:

 Secretary

ITEM V. The Board held special meetings on Monday, April 16 and Tuesday, April 17, 1956, at Hotel Sir Walter, Raleigh. All members were present.

Arrangements for exemplification of the Three Degrees as presented by W. Charles P. Separk, P.M., C.L., were approved. This work was done in a very fine manner entirely by Certified Lecturers. W. Norwood P. Parker, P.M., C.L., presided in the First Degree; W. James I. Reynolds, P.M., C.L., presided in the Second Degree; and W. Craven E. Harrington, P.M., C.L., presided in the Third Degree.

The Secretary reported the present Roster of Certified Lecturers and Certified Instructors is as follows on April 17, 1956:

Class	Number April 19, 1955	Same on April 17, 1956	CHANGE
A	349	358	Gain 9
B	16	17	Gain 1
	<hr/> 365	<hr/> 375	<hr/> Gain 10

A complete roster of each class and other data will be found on pages 208-228, inclusive, of these Proceedings.

At this meeting, the Board adopted the following resolution with reference to a lodge applying for relief from the lecture service under Regulation 35-09:

* BE IT RESOLVED, That, during the recess of the Board of Custodians, the Grand Lecturer, with the approval of the Chairman of the Board, be authorized to excuse a lodge from the requirement of Regulation 35-09, but not to exceed the period of one year at one time nor more than three consecutive years, for any lodge. That this authorization continue in effect until repealed or amended by the Board. It is to be understood that no lodge shall be excused under this resolution unless it is capable of properly and intelligently conferring all of the Ritualistic Work including the lectures, and also the opening, closing and other like procedures, by its own members, and it is to be further understood that it is not intended that the authority granted herein shall be used to excuse a lodge that in fact, needs instruction to maintain intelligent work. (For the first action on this subject, see Proceedings 1950, Page 159.)

* This resolution was adopted by the Grand Lodge also.

SCHOOLS OF INSTRUCTION IN THE RITUALISTIC WORK

Fifty-nine Schools of Instruction were held in thirty-three of the Masonic Districts since our last report.

MASONIC EDUCATION

Our reports indicate that there is a continued interest in the Lodge System of Masonic Education, greater than in any previous year. We recommend that the Grand Lodge continue this educational effort; and, for the purpose of carrying out this recommendation, we present the following resolution and recommend that it be adopted:

* BE IT RESOLVED, That the Lodge System of Masonic Education approved by the Grand Lodge in 1935 (Pro. 1935, pages 32 and 86 and again in 1949, Pro. 1949, page 197), be continued and that each Lodge be requested to put that plan in operation promptly.

*This resolution was adopted by the Grand Lodge.

We do not recommend at this time that this program be made mandatory.

LODGES LECTURED IN 1955

The record furnished by our Grand Secretary indicates that 141 lodges were lectured for which the Grand Lodge allowed compensation. One lodge was lectured for which the Grand Lodge did not allow compensation. Eight lodges were excused during 1955, making a total of 150 cleared during 1955 as having complied with Regulation 35-09. We report that 90 Certified Lecturers took part in lecturing lodges during 1955.

LECTURE SERVICE

We urge our Certified Lecturers to read and observe carefully the rules for the government of the Lecture Service as found on pages 497 through 499 of THE CODE and also printed in the Annual Proceedings of the Grand Lodge. We have to report again that several

of our Lecturers have apparently overlooked paragraph 5, subsections a and b, and paragraph 9, subsections a and b of those rules.

MISCELLANEOUS

Since our last report, the following lodges applied for permission to use robes in conferring degress; and each request was granted on the date shown opposite the name:

Creasy Proctor Lodge No. 679, on March 26, 1956.

Fellowship Lodge No. 700, on January 13, 1956.

REPORT OF GRAND LECTURER TO BOARD OF CUSTODIANS

The Grand Lecturer made the following report to this Board which was received and entered on this record:

Since sending out the questionnaire on the use of the Lodge System of Masonic Education, I have received reports from thirty-three districts covering 217 lodges. Of this number, 178 are using the system.

The report on Schools of Instruction as of April 10th shows fifty-nine schools held in thirty-three districts. Other schools have been scheduled, and in a few cases parts of schools were held in which the amount of work done was not sufficient to constitute an official School of Instruction.

I have had no recent reports on lodges having received the Lecture Service, but no system is in effect for reporting Lecture Service to the Grand Lecturer, and I recommend that the Board set up a system by which the Grand Lecturer will receive a report every time a lodge has a Lecture Service, so that he may be able to know at all times how the lodges throughout the state stand in regard to Lecture Service.

I also recommend that a proposed schedule for Schools of Instruction be adopted by the Board, and that a copy be sent to every District Deputy Grand Lecturer upon his appointment or reappointment.

I shall make a report to Grand Lodge covering the entire year on matters pertaining to my office.

Grand Master of Masons in North Carolina

(Docket No. 48)

BRETHREN:

With a sense of true humility, but with a heart full of gratitude, and with a prayer to Almighty God to guide me during the most important year of my life, I accept the office of Grand Master.

Only my brethren who are Past Grand Masters have experienced the emotions I now have. Only they can appreciate how inadequate mere words are on this occasion. To all of you who made possible my

election, and to those who participated in this lovely and impressive ceremony, I say from the bottom of my heart, "Thank you, brethren."

To be the Grand Master of the State's greatest Fraternity is an honor, a privilege, and a challenge; a challenge to serve Masonry by making this the best year it has ever had. Brethren, I accept that challenge.

All Masons are inspired by and indebted to our Past Grand Masters who continue to devote their time and talents to our great Order. I am sure I speak for every Mason when I say that we are greatly indebted to these distinguished leaders for the great service they have given to Masonry. They have built it upon a solid foundation. The assurance that I shall have their counsel and wholehearted cooperation gives me the confidence to proclaim, I cannot, I shall not, I will not fail.

RULES FOR GOVERNING THE OFFICIAL STANDARD OF THE WORK AND THE VOCABULARY

(In Effect June 8, 1951)

The Official Standard of the Work and the Vocabulary adopted by the Grand Lodge in April, 1942, are to be distributed under the following rules made by the Board of Custodians, pursuant to Regulation 30-08, as adopted in 1948, and as amended in 1951.

(Promulgated by the Board of Custodians, at Charlotte, N. C., June 8, 1951).

RULE 1. The Grand Secretary shall be the Custodian of all unissued copies of the Official Standard of the Work and the Vocabulary, and shall issue them only upon proper written application. He shall provide all forms of application, receipts and other documents necessary to account for the same, and shall keep a record of all copies issued, and to whom issued.

RULE 2. Receipts for the Official Standard of the Work or the Vocabulary shall be given on such forms as may be prescribed by the Grand Secretary. Immediately on receipt of a copy of either, the brother receiving the same shall sign proper receipt, which shall be transmitted to the Grand Secretary promptly.

RULE 3. The Vocabulary shall be issued only to Secretaries of our subordinate lodges, who shall receipt therefor and be held responsible for the same. He shall transfer the Vocabulary, so issued to him, to his successor in office and take his receipt for the same, which shall be forwarded immediately to the Grand Secretary. In the event he is unable, for any cause, to deliver to his successor the copy of the Vocabulary in his possession, the Master of his lodge shall take up his copy of the Vocabulary and re-issue it to his successor in office, taking his receipt for the same which shall be forwarded immediately to the Grand Secretary.

RULE 4. Only each of those in the following categories are qualified to apply for and obtain the loan of one copy of the Official Standard of the Work, to-wit: Masters, Senior Wardens, Junior Wardens, Senior Deacons and Junior Deacons and the two Stewards of our subordinate lodges; Grand Lodge Line Officers, District Deputy Grand Masters; members of the Board of Custodians; Certified Lecturers, and Certified Instructors, while they occupy the said offices and positions and while they are qualified as indicated in this Rule.

RULE 5. (a) At the installation of officers following the annual election, each retiring officer elective or appointive in the Grand Lodge and in our subordinate lodges shall deliver to his successor in office the copy of the Official Standard of the Work held by him, and in the event his successor has a copy, then the retiring officer shall transfer his copy to a new officer entitled to the same, who does not have a copy, and the successor so receiving the Official Standard of the Work shall sign the prescribed receipt therefor, which shall be forwarded immediately to the Grand Secretary. It is the purpose of this paragraph to make it possible for a brother to retain the same copy of the Official Standard of the Work originally issued to him so long as he is entitled to have the use of the same under Rule No. 4.

(b) In case a brother, who holds a copy of the Official Standard of the Work under Rule 4, should vacate his office or lose the qualification which entitles him to the use of a copy of the Official Standard of the Work, due to death, resignation, lapse of certificate, or for any other cause, then the Master of his lodge shall take up the copy of the Official Standard of the Work held by such brother and either forward it to the Grand Secretary, or re-issue it to a brother who fills the vacancy, if any, and take a receipt for the same, which receipt he shall forward to the Grand Secretary immediately.

Rule 6. No writing, marking or notations of any nature whatsoever shall be made in or upon any copy of either the Official Standard of the Work or the Vocabulary, and it shall be the duty of any Grand Lodge Officer, District Deputy Grand Master, District Deputy Grand Lecturer, or any Certified Lecturer, at any time, to call for any copy of either, and examine the same to determine whether this Rule has been violated; and if it has been violated, he shall immediately take up such copy marked in violation hereof, and forward the same at once to the Grand Secretary, and report his action to the Grand Master without delay. [See also Regulation No. 30-07 (4)].

Rule 7. In case of loss or destruction of either the Official Standard of the Work or the Vocabulary, the Grand Secretary shall be notified immediately, giving a full report of the circumstances surrounding the said loss or destruction.

RULE 8. Neither the Official Standard of the Work nor the Vocabulary shall be used in any lodge while conferring the degrees, nor at any time in coaching or instructing candidates.

RULE 9. Neither the Official Standard of the Work nor the Vocabulary shall be issued to one entitled to the use of the same under these Rules, unless applied for in writing on the proper form, except as provided in Rule 5.

**RULES FOR THE GOVERNMENT OF
THE LECTURE SERVICE**

(Promulgated by the Board of Custodians June 11, 1948, effective July 1, 1948, and amended in 1953 and 1956).

1. Lecture Districts are hereby abolished.
2. A Class "A" Certified Lecturer may accept an invitation to instruct in the Ritualistic Work from any lodge in the State of North Carolina, regardless of location.
3. Class "A" Certified Lecturers are urged to co-operate in this work by accepting invitations to instruct in the Ritualistic Work from lodges located near their residences.
4. Each subordinate lodge is required under Regulation 35-09 to have instruction in the Ritualistic Work for a period of not less than one week in every consecutive two years. For this instruction, the Grand Lodge will allow credit as set forth in Rule 5. At least fifteen (15) consecutive calendar months shall elapse between the dates of such instruction.
5. The required one week of instruction may be complied with in either of the two following methods:
 - (a) The lecturer may visit the lodge for the entire week on one trip, and he shall give not less than thirty hours of ACTUAL INSTRUCTION, *excluding* travel time and time when he is not actually instructing; *provided*, also that there shall be instruction on each of not less than five different days, *all within seven consecutive days*, and for this class of service the fee shall not exceed \$50.00 per week, or
 - (b) He may make several trips to the lodge, in which case instruction must be given for not less than twenty-four (24) hours of ACTUAL INSTRUCTION, *excluding* travel time and time when he is not actually instructing; *provided*, also, that there shall be instruction on each of not less than five different days, and all within a period of thirty (30) days, beginning the first day of the lecturer's engagement, and for this class of service the fee shall not exceed \$40.00 per week.
6. The Board of Custodians recommends that the instruction be rendered on consecutive days, whenever it is practicable or if circumstances render it more efficient, but this is not mandatory.
7. A Class "A" Certified Lecturer, during the period he is on the roster of such class, is authorized to instruct subordinate lodges for compensation.
8. A Class "B" Certified Instructor, during the period he is on the roster of such class, may give instruction in the scope of work coming under Class "B," for which he shall *not* receive compensation.
9. The Grand Lodge will allow a credit of the fee set forth in Rule 5 to each lodge instructed for the one week's minimum in every consecutive two years required under Regulation 35-09 and these rules.

- (a) A subordinate lodge will pay the lecturer the fee for instruction according to the class of instruction given, as defined in Rule 5 (a) or (b). After payment of such fee, the lodge shall, within fifteen days, forward the lecturer's certificate of service, under the seal of the lodge, and the lecturer's receipt for payment to the Grand Secretary, who will determine whether, under Regulation 35-09 and these rules, the lodge is entitled to credit for the instruction, and if it is, he will either reimburse the lodge by voucher the stipulated amount, or credit the lodge's account with the same.
 - (b) All such certificates for reimbursement of fees for lecture service paid out by lodges shall be filed with the Grand Secretary before December 20 of each year.
10. A lodge desiring instruction in the Ritualistic Work shall make all the necessary arrangements and agreements for the service with the Class "A" Certified Lecturer of its choice. Immediately after such service has been rendered, the lodge shall
 - (a) Pay all proper transportation, board and lodging expense, necessary to fill the engagement, incurred by the lecturer.
 - (b) Transportation expense shall not exceed five cents per mile actually traveled, each way, when private automobile is used, or it may be the actual railroad or bus fare between the residence of the lecturer and the lodge served. Transportation expense may properly be the subject of a special agreement between the lodge and the lecturer, before the instruction is commenced. It is the intent of the Board of Custodians that travel expense, board and lodging shall not be made an unreasonable burden on lodges.
 11. A lodge not entitled to instruction in the Ritualistic Work, under Regulation 35-09 and these rules, which accepts instruction from any Class "A" Certified Lecturer, shall pay the fee, as defined in paragraph 5 (a) or (b), for such instruction and the expenses of the lecturer rendering the service without reimbursement from the Grand Lodge.
 12. A lodge may obtain special lecture service or instruction as often as it desires, but the lodge, in such cases, shall pay all fees [as set forth in paragraph 5 (a) or (b)] and expenses incident thereto which exceed one week in every two consecutive years, as set forth in Rule 4.
 13. Any special lecture service rendered to a lodge shall be reported within fifteen days by the Secretary of the lodge to the Grand Secretary, for the record.
 14. In all cases in the ritualistic work where the Official Standard of the Work is silent as to any action in floor work, or other work, no Certified Lecturer or Certified Instructor, or any brother, shall be authorized to insist that his idea of the subject is positively the only way to do that particular thing; he may state "his opinion," but he is not authorized to insist that his way is the only way to do such work.

WALLACE E. CALDWELL, *P.G.M.*

CHAIRMAN OF COMMITTEE ON
FOREIGN CORRESPONDENCE

REVIEW

This reviewer decided on appointment to make his account of Masonic activities topical feeling that such a review would be of more value to the average reader than a review by jurisdictions. He is pleased to find kind friends among his fellows who say pleasant words about his work. He is also distressed when he reads "this jurisdiction was not reviewed," or words to that effect. All Proceedings that came to hand are carefully examined and go to make up the total picture even if they are not specifically mentioned. He also wonders whether anyone reads the review besides other reviewers. The question remains, which is the most useful type of review?

The "Proceedings" this year followed the usual pattern, the Grand Master's address, the committee reports, a few discussions and votes, and a fine speech by the Grand Orator. It is interesting the manner in which these speeches seem to coincide. This year most of the orations which I read dealt with the symbols and tenets of Masonry and in very able fashion.

One of the finest, I thought, was entitled "America's Great Cornerstone," by Wor. Bro. Frank Logar, Jr. of Nevada. I quote the following based on the preamble to the Constitution.
(I notice that I quoted the oration in Nevada last year also).

"We the People." Not "we, the rulers," not "we, the Deputies," not "we, the Governors," not "we, the wealthy, the powerful, the strong, the ruling class, the aristocrats," but "We the People." The note of democracy thus struck at the outset is truly the Masonic teaching of meeting upon the level and parting upon the square without reference to creed or place or power or position.

"In order to form a more perfect Union." What Fraternity has always taught the blessings of a perfect union? Freemasonry. The Articles of Confederation which the Constitution was to supersede has not provided a perfect union. The Constitution did—a union which has been taught to thirty-one of the fifty-five as one of the blessings of the fraternal life, the life of brotherhood.

"Establish Justice." Justice in the years that had gone was for the tyrant and the tyrant's underlings; for the people it was too often non-existent. Justice for the low as well as the high, for the citizen as well as for the patrician, for the little man as well as the great, was a new idea in government. But it was not a new idea in Freemasonry, which has always taught the importance of strict, impartial, blind justice between brother and brother, Lodge and Lodge—in the Constitution justice was carried into the life of the citizen as between man and man and State and State.

"Insure domestic tranquility." From none more than from Masons could the doctrine of the blessings of unity be obtained. "Behold how good and how pleasant it is for brethren to dwell together in unity." Anciently was it written in the Scriptures and for two thousand years the world had not heeded it. But Freemasonry not only heeded it but taught it, and that "harmony which is the strength and support of all well regulated institutions" has been inculcated in Masonic

Lodges since a day no man knoweth how old. It cannot be doubted that the thirty-one who had seen Whig and Tory, rebel and patriot, rich and poor, righteous and sinful dwell together in unity in a Lodge, had the wonder in mind in the phrase "insure domestic tranquility."

"Provide for the common defence." Freemasonry has had no wars to fight, no weapons to raise. But the earliest gathering of Masons in Lodges was in defense of their common rights; their self-imposed restrictions on craftsmanship and skill were in defense of those who were worthy of style themselves Master Masons. In union is strength because many may do what a few may not; this phrase, if less plainly originating in the Masonic Lodge, was nevertheless a principle of Masons long before the Constitution was thought of.

"Promote the general welfare." The phrase might well be a part of a Masonic ritual, for no human association does more to that end, or thinks more clearly upon the fact that the welfare of all is the welfare of the individual; the welfare of the individual, the welfare of all. Freemasonry today, Freemasonry yesterday, Freemasonry as far as historic records in documentary form go (1390) has always looked after the "general welfare" of its brethren. It is the fundamental of Brotherhood to go on foot and out of one's way to assist and serve. It is part of the teaching of the gentle Craft to aid a brother's welfare—not only the charity of alms, but of thought and understanding, of brotherly concern. It is ingrained in the very warp and woof of the Fraternity to think of a brother's welfare when on one's knees to Deity. "To promote the general welfare," not a phrase from any ritual, is a phrasing of the spirit of all Masonic ritual.

"To secure the blessings of liberty to ourselves and our posterity." "Liberty" meant first, freedom to worship God, unhampered by laws, unencumbered by legislation, untrammelled by a state religion. Nowhere in all the world has religious freedom been so championed as in the Masonic Lodge. From the day when the framers of the Old Charges declared that the only religion recognized in Freemasonry was "that natural religion in which all men agree" no religious test—other than an expression of a belief in Deity—has been demanded of any man who would become a Mason. He who worships the God of Abraham, he who kneels to Buddha, he who subscribes to the doctrines of Confucius, as well as that mighty host who bow the head and bend the knee before the gentle Man of Galilee, are alike welcomed before the Altar of Freemasonry.

Liberty of thought is enhanced and encouraged in Freemasonry by the forbidding of all discussions of religion or politics. When a minority is overwhelmed by a majority, liberty or opinion is often throttled by its expression. In Freemasonry is neither minority nor majority on any question touching a man's religious beliefs, his political ideas or affiliations. He has complete liberty of conscience in Freemasonry—and the framers of the Constitution proposed and effected that he have complete liberty of conscience in the new union, as well as liberty from oppression, from laws not of his making or his desire.

Among matters claiming attention was as usual the doctrine of the Perfect Youth. Gradually our Grand Lodges are ceasing to abide

by it. Most still require a dispensation under which few are denied. Scotland defeated the proposal to admit the blind and we find others still refusing in such cases. West Virginia rejected a man with a stiff knee. On the other hand Iowa and Kentucky as well as others leave the question up to the judgment of the lodge, even in Kentucky, the admission of the blind. The Grand Master of Alberta said: "I feel that the time has come when we must give heed and practical application to the principle that Masonry regards the internal and not the external qualifications of a candidate as of prime importance."

I am in principle in agreement with this statement. Yet I cannot help asking if this is not a relaxation of standards. I can remember when we were proud of the fact that to be made a Mason, a man had to be perfect physically. Is it symptomatic of a further relaxation of standards? Masonry is of old "the royal art." Every Grand Master talks about Masonic Education and every Grand Lodge has its committees and its programs, lectures, pamphlets, etc., etc. in the endeavor to make Masons of its initiates. All this is fine and necessary. But are we taking in men incapable of learning the lessons we teach or without interest in them? How many petition our lodges because of a desire to belong to a certain social club or group? The number of Masonic trials seemed happily to be few this year. If we did our preliminary work correctly there should be none. I found pronounced emphasis in many addresses on the work of the investigating committee. Too much stress cannot be laid on this. I should add, though perhaps this has no place in a review, the responsibility of signers of a petition. A surprising number of cases appeared where men who had been rejected in our lodge found supporters in another even when not in its jurisdiction.

All this is a preliminary to the next topic which claimed attention and indeed a serious one—what is the matter with lodge attendance. The Grand Master of Minnesota addressed himself with such force and directness to this omnipresent problem that I cannot do better than to quote his words.

In appraising the state of the craft we must look to other symptoms of weakness or well-being.

A. Lodge Attendance:

One of these symptoms is lodge attendance. A small attendance at stated and degree meetings is a warning that all is not well. It becomes alarming when that small attendance is composed substantially of the same brothers meeting after meeting. Any lodge needs to take stock of its *leadership* and of its *fellowship* whenever the overwhelming majority of its members are consistently absent from the Temple. Usually the trouble may be traced to two causes; first, to the blind reliance upon the foolish assumption that a lodge can succeed by ritual alone and, second, to the unwillingness or the inability of the lodge officers to induce the brethren to participate in lodge activities. Lodge meetings confined only to the exemplification of the ritual, without giving the brethren the opportunity and the inclination to enjoy each other's fellowship, are not only attendance killers but a blight upon the teachings of Masonry. Our fraternity's ideals take root and flourish best in the soil of good fellowship. Not only must the lodge officers plan meetings which inspire good fellowship, they must also be effective leaders in inducing

the brothers to participate in a variety of lodge activities. A participating brother is not an absent brother. Brethren whose only opportunity is to sit on the sidelines and listen to the ritual, if they are normally intelligent human beings, are soon likely to transfer their presence and their interest to other fields to the loss of Masonry.

B. Lodge Size As It Affects Leadership And Fellowship:

Another symptom of weal or woe for the fraternity is found in the degree to which lodges, by reason of their size, afford or deny opportunities for the brethren to exercise fraternal leadership. The opportunity of a brother to become a leader of his lodge is ten times as great in a lodge of 200 as in a lodge of 2,000. The leadership opportunity is cut in half when the lodge membership jumps from 500 to 1,000. Who are usually the most faithful and active supporters of your lodge? The Past Masters of course. Forget not that the Past Masters are only those individual Masons who have been given the opportunity of active leadership. As a blessing to the fraternity may their number increase. The spirit of the Past Masters can also be generated in others by giving them a participating share in lodge activities. Lodge size and lodge leadership both need attention when any large percentage of the members have no participating interest in the fraternity.

When our lodges become too big we are not only losing out on *leadership* opportunity but on *fellowship* opportunity as well. Intimate fraternal fellowship, the life blood of Masonry throughout the ages, usually thrives in inverse proportion to the size of the lodge. How well can you intimately know a brother when your lodge in its fraternal population approaches the size of a large village or a small city? Any Grand Master who has visited the lodges of his jurisdiction will tell you that he has found the warmest and most genuine fraternal fellowship in the small lodges.

Brethren, I have no intention of recommending that a size restriction be placed on our lodges. I do not disparage the contributions made by our larger fraternal units. In reporting on the state of the craft, I am, however, emphatically urging that the brethren, in planning for the future, should seek to grow two blades of lodge grass where only one grew before. In lieu of planning for one over-sized lodge, why not increase our potentialities for *leadership* and *fellowship* by organizing two or even three lodges. In some Grand Jurisdictions it is the well-established practice that when a lodge becomes too big a number of the members are encouraged to withdraw and form a new lodge. Not long ago, however, a brother in one of our large cities, a brother for whom I have genuine respect, suggested that a lodge under a membership of 400 would find it difficult to maintain a Temple. Are we unnecessarily paying too great a fraternal price for brick and mortar? Although lodge housing problems vary from one community to another so that no uniform rule can apply to all communities, we are in no case necessarily anchored to a single lodge Temple. We should more frequently explore the feasibility of two or more lodges occupying the same building. In seeking to preserve genuine fraternal values, let us not forget that smaller Temples and smaller lodge rooms become practical with smaller lodges. Why sacrifice the opportunities for *leadership* and *fellowship* on an altar of brick mortar? The success of Masonry is not measured by

the size of the lodge, or by the size of the Temple, but by the size of the Masonry in the man. Edwin Markham proclaimed the truth when he wrote:

"We all are blind until we see
That in the human plan
Nothing is worth the making if
It does not make the man.
Why build these cities (temples) glorious
If man unbuilt goes?
In vain we build the world, unless
The builder also grows."

By way of contrast I should point out the Grand Inspector of the Grand Lodge of Ireland for Hong Kong and China who traveled over 2,000 miles by air to constitute and dedicate a new lodge in Singapore and reputed that it was "really worth the effort."

I must confess that my major interest in examining the reports was to see what was happening in regard to Masonic Youth Movements. Masonry's interest in the advancement of youth is not new. It has long stood as a promoter of education. The University in which I teach was established through the influence and support of the Grand Lodge of North Carolina. Its original buildings were named East, West and South, with none on the north. Before the full development of our public school program many Grand Lodges founded academies and colleges. Its homes for children are but a continuation of this interest. Our Masonic Orphanage admits children of non-Masons on recommendation of local lodges. Louisiana has opened its home to children without Masonic connection subject only to a small reserve. Many such as Arkansas, Kentucky and Pennsylvania provide scholarships as we in North Carolina furnish assistance to enable competent graduates to go on to further training or to college. The Grand Lodges in Australia and New Zealand provide similar scholarships for the children of Masons. Other examples could doubtless be cited.

These are admittedly strictly Masonic concerns. Should we go beyond them? Happily we are. Happily I say, because I believe we must. As we are constantly reminded we face the challenge of communism and materialism. A brilliant oration on this subject was delivered to the Grand Lodge of Kansas by Bro. Colmery. Heavy armament and hydrogen bombs, regrettably necessary at present are not enough. The jailing of communist conspirators, also necessary, is not enough. We are faced with an idea which to many of its adherents has become a fanatical religion. The only way to win over such an idea is by offering something better and that we know we have. Some believe we should do this by example. I do not think this is sufficient. Our enemies are trying to win the minds of our youth. We must meet them and gain the victory over them on that battle-field and that most Grand Lodges and many subordinate lodges are doing.

The program of a Public Schools Week inaugurated several years ago is spreading to many other Grand Lodges. The Grand Master of Virginia is afraid that such activities will lead to political differences with regard to school administration and urges Masons to support the public schools and to differ as citizens. The experience of those who have tried them does not support his fears. Wyoming likewise voted down a recommendation for a Committee on Public Schools on the ground that Masonry should "avoid the matter of being criticized

for attempting to go outside and substitute organizational interest and promotion as distinguished from that of the individual Mason," though along with the Grand Master of Kansas urging individual Masons as always to support our public school system.

The Grand Master of Nevada laid cornerstones for several new High School buildings during the year, certainly a worthwhile Masonic activity.

The Grand Master of Alabama called attention to National Sunday School Week and asked each lodge to have a meeting during that week to discuss the work as a means of combating juvenile delinquency.

In New York "many Districts have as Masonic groups organized camps for underprivileged children." The campaign of the Masonic Foundation against that child-killer, Rheumatic Fever, has made tremendous progress.

Pennsylvania's Children's Service Committee called and financed the first of a series of juvenile court institutes to study the problem of the emotionally crippled child, regardless of race, creed, or color. It was attended by twenty judges from fourteen different states and led by a brilliant list of men and women.

Saskatchewan has an active Freemasonry and Youth Program sponsoring a varied group of projects athletic, social, craft, and religious including large youth rallies attended by young people and Masons. The committee also conducts a highly successful radio program entitled "Talks to Teen-Agers." With a fifty year celebration at hand it is sponsoring a "Golden Jubilee Freemasonry and Youth Endowment Fund." One District Deputy sounds a note of caution which is of such interest to me that I reproduce it here.

In my opinion the program should follow more serious lines than those followed at the present time. The young people of today are not in need of recreation. They should instead be taught to appreciate their position in life and the responsibilities which they owe to society. Inspirational teachings along the lines followed by Masonry and the realization that the lot of man is labor, should be impressed upon our Youth. To teach young men to choose their course of life carefully and to seek happiness in their work should also be our aim. In the interest of good farming I would suggest a large gathering of the young men of the District attend the Annual Picnic at the Swift Current Experimental Farm where the results of good farming practices are witnessed along with one or two good lectures. Carloads of young men could also be taken on tours of Electrical Power Plants, Industrial Plants, Irrigation districts, etc. This idea would of course be supplementary to the program of Grand Lodge. In many instances these suggestions might be of some assistance in planning a program. Perhaps the greatest contribution any Mason could make is to be mindful of Youth in our everyday life, in our attitude toward them and the example we set for them by our own conduct.

The Grand Master of Virginia provides an interesting comment. "I find an increasing interest in Youth programs. This is a sound development. Some of our Lodges have gone to the extent of sponsoring particular Youth groups. This seems to be contrary to the historic position of Freemasonry. Throughout the years we have held aloof

from sponsorship of organizations outside of the Craft and there is no reason why we should change this policy." He goes on to praise all the activities of the lodges in Youth organizations. It is worthy of note in this connection that the DeMolay boys in Virginia are raising funds to furnish one of the rooms in the Masonic House.

The Rhode Island Youth Program which centers around DeMolay is progressing magnificently.

The Order of DeMolay, Masonry-sponsored and devoted to training in character and leadership, is, I believe, our best answer to the problem. The increasing interest and support it is receiving from many Grand Lodges indicate a wide-spread agreement that this is so. I cite but a few of many examples. Minnesota is moving to put the support of DeMolay on a statewide basis. Vermont is considering "doing something concrete" for the Order. The Grand Master of Arkansas notes increasing interest of the lodges and urges more active participation by the lodges and members that "this wonderful work may continue to expand."

Florida has a Committee on DeMolay and M. W. Frank H. Thompson was elected Grand Master of the International Supreme Council of the Order. The Grand Master of Tennessee urges support of the Order as does the Grand Master of Indiana for the "youth organizations which we have recognized." The Grand Lodge of Delaware approved the recommendation of the Grand Master that a committee be appointed and one thousand dollars be appropriated for its use in sponsoring DeMolay.

The Grand Master of Oklahoma made a statement with which I am in hearty agreement. "Our lodges should place themselves in the center of their community, work in and for community projects, and lead as a Lodge in promoting good and useful citizenship." As Deputy for the Order he hopes to bring the program into every section of the state. He called upon the Grand Lodge to support the movements by a committee and with funds.

The Grand Masters of Ohio, Oklahoma and the District of Columbia, proudly announce their election to the Legion of Honor of DeMolay.

Michigan has an appointed member covering DeMolay work. Utah aids through its lodges in financing the needs of the youth organizations of the state. And so it spreads.

Some Grand Lodges and many individuals still maintain that such work is not a proper Masonic activity. A few object to meetings being held in lodge rooms. More allow or even encourage members to aid individually but forbid lodges to contribute from lodge funds. In the light of the history of Masonic interest in education and especially of the present-day challenge I would respectfully recommend a reconsideration of these view points. The Grand Master of Minnesota has gone as far as to recommend that lodges establish funds "for distinctly Masonic purposes, for the sponsorship of Chapters of DeMolay and also for charitable purposes such as the American Red Cross and the Community Chest" in order to keep with modern conditions and maintain favorable community relations.

This section of my review will read perhaps more like an expression of opinion than a review. I have made it so deliberately because dealing as I do with youth, having been a college professor for many

years, I feel the need of leadership for our young people so very greatly. We must join with the church, the synagogue, the school, and other youth organizations in guiding our boys and girls along the right path to happiness in life. I should add that I am expressing my own views, not speaking for the Grand Lodge of North Carolina. This body through its Grand Masters encourages the growth of DeMolay, but does not allow the expenditure of lodge funds for this purpose. I am pleased to know that DeMolay has spread abroad and become international. If all Masons in the world would unite in inculcating our principles in the Youth of the world, we would need have no more fear of the spread of communism.

In closing this discussion I cannot do better than to quote from the address of the Grand Master of New Jersey a statement made in 1943 by M. W. Walter S. Gray of that jurisdiction with slight emendations to bring it up to date.

"Today's Youth is Tomorrow's Mason"

"A program to help Masonry must include one of helpfulness in the wider field of public welfare, specifically interesting our own sons and the young men of our communities in the way of fraternal living. This can be done best through the Order of DeMolay. This fraternity was founded by members of our institution 38 years ago. Today it is carried on exclusively by adult Masonic leaders.

Nearly two million young men have been inducted into the chapters of the Order, leaving its ranks at the age of 21 with a new conception of the virtues of parental love, patriotism, courtesy, reverence, cleanness, comradeship and fidelity. A large percentage of these former DeMolays are members not only of Masonic lodges throughout the country, but many are members of this and other Grand Lodges. Some already are Grand Masters. Masonry benefits from having this generous supply of trained youth.

The future of Freemasonry lies more in our young men than in ourselves. Ours is the duty to maintain Masonic ideals at their best, and to transmit them unimpaired to those who will carry on in later years. Ours is the privilege of helping young men to understand these virtues, showing them how these ideals may be applied to the complicated situations of everyday life.

To this DeMolay movement Masonry should give, not only friendly cooperation, but cordial support. In helping youth, we make the future of Masonry stronger, greater."

Since I wrote this the report of the Conference of Grand Masters has come to hand. The question was debated there and I urge all interested to read the minutes of the discussion. The Grand Master of Wyoming, M. W. R. R. McWhinnie, presented the topic with a most valuable review of past discussions. M. W. A. T. Curtis of Rhode Island spoke eloquently for the affirmative, pointing out that the Masons of Rhode Island have assessed themselves fifty cents per member to support the Youth Foundation. M. W. H. T. White of Nebraska, represented the negative. He seemed to feel that the sponsorship of DeMolay was an innovation in the body of Masonry, that it was not a cause proper for the spending of Masonic funds, that sponsorship might lead to the request of other organizations for similar support and therewith to dissention. He further argued that the

fraternity does not have sufficient control over DeMolay to enable it to become responsible for the acts or the debts of its chapters.

I believe that so far as the Grand Lodges or local lodges are concerned, we should not sponsor DeMolay or any other activity over which we do not have complete control. Let the individual Mason do all in that line he desires, which does not conflict with out Masonic laws or teachings. We teach him, or try to teach him, to support his government and be obedient to its laws, but we never undertake, as Lodges, to engage in politics. We want our brothers to be good citizens. But we should keep our Masonry just that, Masonic, that the world may know when one is said to be a member of it, that here is one to whom the troubled soul may pour out its sorrows, to whom distress may prefer its suit, whose hand is guided by justice, and whose heart is expanded by benevolence.

A few random notes in conclusion. The Proceedings list a surprisingly large number of fifty-year awards. Does Masonry contribute to longevity. Our gratitude and congratulations are due to all these who have borne the heat and burden of the day in loyalty to the Craft for so long.

Many Grand Lodges or their districts or subordinate lodges have established blood banks. The Grand Lodge of the District of Columbia has set up in addition a committee for cancer education.

Iowa is to be congratulated on its new library building with its 65,000 volumes, a wonderful center for Masonic study. We still miss Bro. Hunt. Kentucky also is proud that its Grand Lodge building is completed and free of debt. I always enjoy reading Brother Keith's reviews. A noteworthy activity in that jurisdiction is the Board of Relief for Louisville which looks after distressed brothers of many jurisdictions in that fine city.

Louisiana has a Relief Lodge to serve the distressed. Minnesota keeps up its wonderful work in Rochester for visitors to the Mayo Clinic.

New Zealand from far away contributed to Greek relief after the earthquakes.

Saskatchewan is right up-to-date with a lodge named Uranium U.D.

Colorado allows non-Masons to serve as active or honorary pallbearers at Masonic funerals.

As an historian I am happy to note that many Grand Lodges are at work on their histories. The report of the Grand Historian of Saskatchewan is delightful reading. The work of the Grand Historian of Connecticut in the study of lodges and their members during the American Revolution is of great value, as are the products of the American Lodge of Research in New York.

Many Grand Lodges are moving or have moved to take on liability insurance following the unhappy experience of the Grand Lodge of Connecticut. I understand that this case was settled in satisfactory manner.

The Utah Proceedings for 1954 contain an enlightening discussion of the history of the relationship between Mormonism and Masonry. It is worth looking up and reading.

The Grand Master of West Virginia refused to allow moving pictures to be shown in the lodge room. "The showing of any type of motion picture or slide in the lodge room is improper. The motion picture is a prime medium of propaganda . . . It opens the door of the lodge room to a presentation of prohibited matters and offers an opportunity for propaganda to creep in."

I am delighted to receive a fine report from the Grand Lodge of Argentina in English. That body is doing a fine work.

We sympathize with the York Grand Lodge of Mexico in its difficulties with the other Grand Lodges in that nation and hope that these will soon be overcome and Masonic peace and good fellowship be restored south of the border.

As usual I offer a few notable quotations.

From the address of the Grand Master of Kansas:

We have a virile Masonry in Kansas today. Our lodges have not only been busy in the conferral of degrees, but are increasing the promotion of proficiency, friendliness, encouragement of participation by members in religious and civic duties, and in the encouragement of worthwhile youth activities in our several communities. I sincerely believe our members are realizing that Masonry requires more than the wearing of an emblem and the carrying of a dues card—that Masonry is basically a way of life which parallels our American way of life, and that Masons are obligated to participate in the general good of society, morally, spiritually and as good citizens. It isn't difficult to visualize how much greater our State would be if every one of our 100,000 Master Masons would exert his utmost in promoting social virtues. I believe we are traveling, as Masons, nearer to the realization of that goal.

From the address of the Grand Master of New Zealand:

In these distracting times, what is our duty as Freemasons. Surely it is, with steady faith, to hold fast to the fundamental precepts and tenets of Freemasonry and to exemplify them in our daily lives. Freemasonry is a pure and ennobling code of morals; its landmarks are the ramparts of freedom; and these we maintain if we regulate our conduct by the study and practice of its precepts and tenets, which cover the whole range of our moral, social and civic duties. Thus, we are enjoined to study the Volume of the Sacred Law, which teaches our duty to God, to our neighbours, and to ourselves. As citizens of the world we are required to pay obedience to the ordinances of the realm and never to countenance any act that may tend to subvert the peace and good order of society. In our obligation we have vowed to respect the sanctity of the family, which is the basis of the State. As individuals we are taught to cultivate the four cardinal virtues: prudence to direct us, temperance to restrain us, fortitude to support us, and justice as the guide to all our actions. In relation to non-Masons we are charged to afford by the regularity of our behavior the best example for the conduct of others. Above all, we are urged to practice the truly Masonic virtues of benevolence and charity.

From an address at the Masonic Sesquicentenary Service in Hobart, Tasmania, by R. W. Bro. Rev. Harold Ralph:

Well might we ask what has Freemasonry contributed to this Island State set in the Southern Seas? Of one thing we can be rightly proud, and that is the fine spirit of loyalty which has ever been shewn forth to the sovereign of our native land. No body of people can surpass the constant and loving allegiance which has been given to the laws of our land, and to the reigning sovereign. We have always been proud to belong to the race from which we have sprung, and coming years will see no diminution of that splendid loyalty among us. We can ever say with heart and voice, "God save the Queen."

We too, might point to the many works of benevolence which Masons have performed—helping the sick and aiding the aged, building a Peace Haven in the North and Masonic Homes in the South. But such things are but the outward sign of an inward spirit. Cold figures and facts cannot exhibit what has been done by men who have consecrated themselves to a living incarnation of the high principles of our Order. We could mention outstanding men of the past and of the present, who by virtue of the offices they have and do hold, exercise much influence within our movement. But even this cannot indicate what Masonry as an institution has contributed to the progress and well-being of our land. We believe that Masonry has wrought into the fabric of our corporate living a spirit of high ethical values and practices, a fine example of honest service, and a living proof that man does not live by bread alone. Within the lives and actions of we Freemasons may be found some weaknesses, for none of us claim to be perfect exponents of the principles we hold. But the movement has given something both to the individual and the community by reason of having given into life spiritual values and qualities without which our present day way of life would be utterly worldly and materialistic. The institution which places emphasis upon service cannot die, but must continue to have value among men and nations.
